POPE STARTS EFFORT TO PUT NATIONS ON THE ROAD TO PEACE

Diplomatic Negotiations Set In Motion With Governments of Five Powers—Reaction Outside Italy Favorable to Move Made by Vatican—Opposition by French Deputies

VATICAN CITY, May 9 (AP).—Pope Pius XII has set in motion diplomatic negotiations in an effort to show Europe a way to avoid war. The Vatican was silent tonight on the exact nature of the Pontiff's moves, but diplomatic quarters believed some definite plan had been outlined by Papal nuncios to the Governments of Germany, Poland, Britain, France and Italy.

A Vatican news service, confirming initiation of negotiations "through normal diplomatic contracts," said the nuncios conveyed the Pope's "ardent desire for peace."

TO PAVE THE WAY

Reliable sources expressed the opinion that Vatican activity was designed to pave the way for some international understanding by endeavoring to create a more conciliatory spirit in Europe rather than attempting to set up the Pope as an arbitrator.

Officials were silent on the Italian Government's attitude towards the moves, but part of the Fascist press commented favorably on them.

Italian newspapers also remarked that reaction outside of Italy to the Pope's moves had been favorable.

Virtually all quarters thought the Holy Father had a much greater chance of success in saving Europe

CANDIDATES ARE CHOSEN

Sir Harold Webbe Selected For Abbey Seat—Other Nominations

LONDON, May 9 (CP).—Sir Harold Webbe, who heads the Conservative Opposition in the London County Council, today was nominated as his party's candidate in the by-election in the Abbey Division of Westminster, May 17. Gabriel Carritt was nominated as an Independent Progressive candidate.

The Labor party nominated George Isaacs, general secretary of the Printing Union, to contest the by-election in Southwark North Division, also on May 17. He will be opposed by Captain F. Henderson-Livesay, Liberal National and Government nominee. In the last general election the National Liberal candidate, E. A. Strauss, won by a majority of seventy-nine.

Nomination in the case of Sir Harold Webbe is tantamount to election. Sir Sidney Herbert, Conservative, whose death caused the Abbey by-election, had a majority of close to 13,000 over a Labor candidate in 1935. Labor is not officially contesting the by-election.

TAKES HAND IN COAL DISPUTES

President Roosevelt Asks Workers and Employers To Make Settlement

WASHINGTON, May 9 (AP).—President Roosevelt announced today he had asked coal operators and union officials for a quick settlement of the bituminous coal strike.

The request was made at a conference in his office, attended by five leaders of the United Mine Workers, five mine operators and Frances Perkins, Labor secretary.

Mr. Roosevelt advised reporters later he had told the disputants the public demands an immediate resumption of mining, and that by tomorrow night they should work out a method for reopening the mines.

NEAR AGREEMENT

The President asserted that the two factions had agreed on every point at issue except one. On that point, he added, they agreed there should be a vertical, or industrial union in the mines and that for purposes of collective bargaining the United Mine Workers should be recognized as that union. They had not, he said, been able to work out details for carrying that into effect.

The deadlock, or failure to agree on terms for renewing the union contract which expired April 1, has resulted in closing coal mines in twenty-six states. It has made some 460,000 coal miners idle.

CONTRACT CLAUSE IS STRICTLY KEPT

Plant for Bren Guns Is Potential Producer of Many Kinds of War Munitions

OTTAWA, May 9 (CP).—The John C. Inglis Company plant in Toronto, shortly to produce Bren machine guns for the Canadian and British Governments, was described to the parliamentary committee on public accounts today also as a potential producer of Lee Enfield rifles, service pistols, other types of machine guns than the Bren, small field guns, tanks, aerial bombs, artillery shells up to a certain stage of manufacture and heavy gun carriages by Major James E. Hahn president of the company.

The contract stipulated the machinery set up for manufacture of the Bren guns must be adaptable for production of all other small arms, such as rifles, pistols and other types of machine guns up to a certain calibre, Major Hahn said. This clause of the contract had been strictly observed, he added.

NATIONS WILL STAY NEUTRAL

Northern European Powers Agree, However, to Help Each Other

STOCKHOLM, Sweden, May 9 (AP).—The Foreign Ministers of Norway, Denmark, Finland and Sweden tonight reaffirmed their policy of neutrality among Europe's rival blocs, but agreed to let each country decide for itself whether to accept Germany's offer of mutual non-aggression treaties.

Without rejecting outright Chancellor Hitler's proposals of last Wednesday, the four ministers by their resolution indicated their intention of remaining neutral, while avoiding any implication of mistrust of Germany's intentions in offering the pacts.

The ministers said they were convinced that a reply to Hitler should be such that it would "on all sides strengthen faith in the impartial neutrality which the northern countries maintain in virtue of their right of self-determination."

The ministers said the results of their discussions would be submitted to their Cabinets and that each would determine for itself how to answer the German offer.

Royal Ship Runs Into Heavy Wind On the Atlantic

Reports Sixty-Mile-an-Hour Gale—Battle Cruiser Repulse Homeward Bound, Carrying Mail From Their Majesties—Empress of Australia Making Average Speed

ABOARD R.M.S. EMPRESS OF AUSTRALIA, May 9 (CP).—Rocked by a sixty-mile-an-hour wind that stirred the mid-Atlantic in boisterous fashion, the Empress of Australia carried the King and Queen toward Canada today at a steady seventeen-knot pace. Tables in the "floating palace" were upset and waves frequently rolled over the big liner at the height of the stormy weather, just at dusk.

The convoy cruisers Glasgow and Southampton found the going heavy, and the Southampton hove to for a time when one of its lifeboats was swamped.

LETTERS FOR HOME

It was some time after the battle cruiser Repulse snatched from the Atlantic His Majesty's mail and steamed off back to England with letters for Princesses Elizabeth and Margaret Rose that the weather became roughest.

The King and Queen spent some time on deck late in the day, watching the storm-tossed sea. As the sun went down, the wind eased slightly.

Three days out from Portsmouth on her nine-day voyage to Quebec,

U.S. Fleas Are Sent to Puerto Rico

WASHINGTON, May 9 (AP).—The United States Commerce Department announced today the successful shipment of American fleas to Puerto Rico.

The fleas, technically known as daphnia and commonly as ditch fleas, were gathered near Rochester, N.Y., in egg form and sent to Puerto Rico, where the eggs were hatched to produce fleas to feed fish.

Longer Sittings May Be Necessary to Get Through Legislation

Ottawa Still Has Hopes of Completing Business in Time for Prorogation by His Majesty—Some Opposition Is Expected

OTTAWA, May 9 (CP).—Parliament drives forward with prorogation by the King on May 19 as the objective, but with some members and officials declaring they are attempting the impossible. Tomorrow motions will be moved by Prime Minister Mackenzie King calling for sessions from 11 a.m. until 11 p.m., Thursday, Friday and Saturday.

Determination by the Prime Minister to have the lengthened sittings is an indication that he is still hopeful work may be completed by the end of the week, or so nearly completed that a sitting Monday would see the end.

But there is every possibility that the motions, to be moved tomorrow afternoon, will meet with opposition. It has been the outspoken opinion of J. S. Woodsworth, C.C.F. leader, that the work cannot be completed in time for Royal prorogation.

MAY ABANDON BILLS

Abandonment of some of the Government legislation now before the House may alter the situation. This is particularly true of the mortgage rediscount bank legislation which is likely to arouse much discussion and questioning.

EXPECTS HEAVY TOURIST TRADE

Director of Canadian Travel Bureau Says Many Visitors Are Coming

OTTAWA, May 9 (CP).—Between 1,000,000 and 1,500,000 visitors will come from United States to Canada in connection with the visit of the King and Queen, Leo Dolan, director on the Canadian Travel Bureau, told the Ontario-Quebec Circulation Managers' Association annual meeting today. He estimated they will spend between $10,000,000 and $15,000,000.

On the other hand, he said, the publicity coming to Canada from the Royal visit will bring more results in the next two or three years than it will this year. "For the period of thirty days (the time of the visit) the eyes of the world will be turned to this country."

Canada is due for one of its biggest tourist seasons in history, judging by the number of inquiries received by the Dominion Bureau, Mr. Dolan said. During the past eleven weeks, 49,178 inquiries had been received, an increase of 90.9 per cent over 1938.

Plan Caravan Tour Across Desert Waste

SYDNEY, Australia, May 9 (CP).—Australia's grim, skeleton-studded Simpson Desert, spreading over an area of 56,000 miles, will be attacked by a camel caravan in June.

Dr. Cecil Madigan, lecturer at Adelaide University, will lead the expedition over the Central Australia country, said to have been crossed only once before by a white man. Seventeen camels will be used by Dr. Madigan, and seven of them will carry 824 gallons of water. One dry stretch of 250 miles will take three weeks to cross.

SCULPTORS' AWARD MADE

LONDON, May 9 (CP-Havas).—The Royal Society of British Sculptors has awarded the medal for the best work of the year by a British sculptor publicly exhibited in London to Alfred Hardiman for his Earl Haig Memorial in Whitehall, it was announced today.

NOT AGREED ON PROPOSAL

Russia Signifies Disapproval Of British Suggestions for Three-Way Alliance

MOSCOW, May 9 (AP).—Soviet Russian officials indicated dissatisfaction tonight with British counter-proposals on formation of a British-French-Russian alliance.

Through a communique issued by Tass, official news agency of Soviet Russia, which presented Britain's suggestion as one-sided, the Soviet Government suggested it considered the counter-proposals inadequate.

The Tass communique, denying accuracy of reports recently published in London, said "authoritative Soviet circles" pointed out that Britain and France have asked for Soviet assistance in case of hostilities arising from the Anglo-French pledges to Poland and Rumania, but have not proposed assistance to the U.S.S.R. in case she should become involved in conflict over obligations assumed in Eastern Europe.

MUTUAL DEFENCE

British circles took strong exception to any such description of their proposals, and suggested that the text, when published, would show that Britain and France were not asking for one-sided assistance, but for Soviet collaboration in an agreement for mutual defence.

Opinions differed among foreign observers as to the purpose in issuing any indirect criticism of the British proposals. Some interpreted the move as a hint to London to supplement her suggestions with more precise assurances regarding British aid to Moscow. Others viewed it as an indication Moscow's attitude toward the French-British non-aggression moves was cooling.

EIGHT PLANTS ARE DESTROYED

Explosions Wreck Japanese Munitions Factories—Dead And Injured List Heavy

TOKIO, May 9 (AP).—Three explosions set off by wind-blown flames in a Tokio suburb today destroyed eight factories, all understood to have been connected with Japan's busy munitions industry.

At least eleven persons were killed and 260 injured. Thirty other persons were reported missing. The toll was expected to mount with a search of the debris. It was feared many of the injured might die from having inhaled gases generated by burning chemical compounds.

HEAVY DAMAGE

Authorities estimated the damage would reach millions of dollars. One of the wrecked plants was a branch of the Japan Ammunition Industry Company.

There were conflicting reports regarding the cause of the disaster, but a watchman said he believed a worker carelessly tossed a cigar into a passing truck loaded with inflammable scraps.

While denying reports of sabotage, authorities expressed concern over the growing toll of similar accidents. Official figures showed 200 fires in industrial plants since the beginning of the year had destroyed sixty-one factories, warehouses and other structures.

Oil Officials Take Refuge in Hospital When Indians Strike

BOMBAY, May 9 (AP).—One of the bitterest strikes in India's history entered its sixth week today in the remote town of Digboi, Northeast Assam, where officials of the Assam Oil Company have taken refuge in a hospital, which now is a virtual fortress. All European women and children have been removed from the town. The number of strikers—oil workers demanding higher pay—was not disclosed.

Edmonton Will Insure All Its Pupils

EDMONTON, May 9 (CP).—Application will be made by the Edmonton Public School Board for a one-day blanket accident insurance policy to cover approximately 16,000 school children on June 2, the day the King and Queen visit Edmonton, it was decided tonight.

Request for the policy was made by the Edmonton local of the Alberta Teachers' Association. Teachers, a representative said, have been placed in charge of their classes during the Royal procession and wanted to be protected from the possibility of any legal actions arising out of accidents that might occur during the day.

CAN USE ROBOT FOR DIAGNOSIS

Electrical Brain Will Analyze And Report on Mental Conditions

CHICAGO, May 9 (AP).—Development of an electrical "robot physician" which diagnoses mental diseases was announced today before the American Psychiatric Association.

The electrical "brain" of the machine reads, analyzes, computes and reports mental conditions of patients as shown by variations of millionths of a volt of electrical discharge from their brains.

Dr. William G. Lennox, of Boston, told brain specialists that with the automatic analyzer of such "brain waves," it is possible to find quickly and accurately cases of dementia praecox, epilepsy and other diseases, and also predispositions to such conditions.

IN ORDINARY USE

Analysis of brain waves—the discharge of tiny electrical currents from the brain—is not new. In ordinary use today, electrical contacts attached to the scalp and arms pick up the discharges and pass them on to an amplifying machine, which records them on photographic film or a piece of sensitized paper.

Interpretation of such records has been a long and tedious process of study. Now the record taken on a strip of film three feet long is merely passed through the "robot physician" machine. An electric eye or photo-electric cell, which measures differences in light intensity, scans the strip and summarizes electrically the pattern of waves.

Weeks of Artistic Work Necessary to Preparing Address

Septuagenarian Nun of Quebec Adding Two More To Large Number She Has Made for Presentation to Kings and Queens

QUEBEC, May 9 (CP).—Result of weeks of patient work by a seventy-four-year-old nun, the loyal addresses to be presented to the King and Queen next week by this ancient city will be a "veritable work of art," the city clerk's office predicted tonight.

The illuminated addresses are being prepared by Mother St. Amedee, of the Sisters of the Good Shepherd.

French text of the addresses to be handed Their Majesties consists of seven sheets and the English text occupies six. Both texts will be richly bound and written in Gothic characters. Mother St. Amedee has been working on them since the first week of April and will complete her work this week-end.

The addresses will be bound in maroon Moroccan leather, thirteen and a half inches long and nine and three-quarters inches wide. Each corner of the cover will have a fleur de lys, rose, thistle and shamrock. In the centre will be a cruiser of maple leafs and a beaver, surrounded by the city's coat of arms.

Mother St. Amedee first prepared a royal address in 1897. It was a message to Queen Victoria on her diamond jubilee. She prepared six addresses for presentation to King Edward VII, seven for King George V, one for King Edward VIII and one for the Duke of Connaught.

NEW SCHEME FOR TRAINING IS ANNOUNCED TO PREVENT UNDECLARED WAR SURPRISE

British Government Putting Country on Semi-Mobilization Basis—Reserves of Three Services to Be Called Up in Rotation—Conscription Bill Becomes Law This Month

LONDON, May 9 (CP).—The Government announced plans today to put the country on a semi-mobilization basis, with the explanation that "hostilities now are undertaken without notice." Leslie Hore-Belisha, Secretary for War, told the House of Commons that navy, army and air force reserves would be called up in groups for training in rotation between June and October.

There was no announcement of the number of men involved, but at least 100,000 members of anti-aircraft units of the Territorial Army will serve one month each "at war stations."

PROSPECTS ENCOURAGING

As the War Secretary emphasized that "the nation must sleep on its haversack," the Government was said to be encouraged over prospects in negotiations to draw Soviet Russia into the Anglo-French security pact.

Deep interest was taken in efforts of the Vatican to prevent Europe's bickering from developing into war, by appeals to heads of state through diplomatic channels. It was disclosed that Monsignor William Godfrey, Apostolic Delegate to London, conferred with Viscount Halifax, Foreign Secretary, during the week-end.

Outlining the peace-time training of reserves, Mr. Hore-Belisha said:

"ENDURING TENSION"

"We live in conditions of enduring tension. Hostilities are undertaken without notice. Most of the armies of Europe are now kept at varying stages of mobilization."

He inaugurated debate on second

AXIS POWERS TALK TERMS

Rome and Berlin Envoys Discuss Proposals for New Peace Formula

BERLIN, May 9 (AP).—Diplomatic activity spanning two continents and embracing the Vatican's efforts to keep the world from war absorbed the German Foreign Office tonight, as the newly-reinforced Rome-Berlin axis worked on details of its formula for an axis-made peace.

Chancellor Hitler was at his mountain home near Berchtesgaden, ready to hear from Foreign Minister von Ribbentrop a report on week-end negotiations with Foreign Minister Count Ciano of Italy, by which the axis is being converted into a military alliance.

In official quarters here it was said "There is much to discuss, and von Ribbentrop may not get back to Berlin for several days."

TIES WITH SPAIN

Field Marshal Goering, Hitler's chief lieutenant, was on a ship in the Mediterranean, heading from San Remo, Italy, for Valencia, Spain, to strengthen German ties with General Franco, Spanish Nationalist leader. Those ties have become more intimate since Spain announced yesterday its withdrawal from the League of Nations.

In Berlin, the Foreign Office took a distinctly sympathetic attitude toward the interest displayed by the Vatican, which directed Papal Nuncios to intercede for peaceful negotiations in various capitals.

There was hope in many quarters than an acceptable mediator to adjust the differences between Great Britain and France and the Rome-Berlin axis and between Germany and Poland, had at last appeared.

TO RETIRE FROM POLITICAL LIFE

Member of Hungarian House and Former Premier Announces Disagreement With System

BUDAPEST, May 9 (AP).—Count Stefan Bethlen, member of the Lower Hungarian House for a quarter century and Prime Minister from 1921 to 1931, announced today his retirement from political life because of disapproval of Hungary's "present political system."

In a letter to his electors, Count Bethlen said he could no longer hope to serve successfully his country, "where natonal prophets in the holy name of national interests eat a Jew for breakfast, a count for lunch, and before going to bed distribute all land and property which does not belong to them."

REFUGEES' AID TO BE BLOCKED

Japanese Will Prevent Neutral Supply of Food and Medicine

SHANGHAI, May 9 (AP).—A Japanese spokesman announced today that hereafter Japan would prevent third-power relief organizations from supplying food and medicines to Chinese refugees in cities under attack.

The spokesman's statement applied specifically to Ningpo, in Chekiang Province, 100 miles south of Shanghai, and nearby ports.

Asked about refusal of Japanese to permit landing at Ningpo of 300 bags of United States Red Cross rice and quantities of medical supplies with American funds, the spokesman said "The policy of the Japanese navy is to prevent the landing of such supplies."

The shipment was aboard an Italian-registered coastal steamship which Japanese forced to return to Shanghai from Ningpo Friday.

Dispatches from Amoy, a port in Southeastern Fukien Province, said cargo boats carrying rice to Chuanchow, fifty miles to the north, had been bombed and machine-gunned by Japanese naval planes. Several seamen were said to have been killed.

JAPAN IS WARNED TO STEER CLEAR

Germany Gives Oriental Friends Hint to Reject Negotiations With Great Britain

BERLIN, May 9 (CP-Havas).—Germany, through the Foreign Office organ, tonight warned Japan, her Far Eastern associate in the anti-Comintern pact, to steer clear of the system of democratic alliances.

Japan was the only third power specifically named by the Politische und Diplomatische Korrespondenz, Foreign Office organ, in an article advising that those countries which align themselves with Britain and France, "will have to deal" with Germany and Italy.

Foreign diplomatic circles speculated whether the reference to Japan was prompted by reports from Tokio of negotiations under way between Great Britain and Japan.

PROMINENT OIL MAN CHARGED WITH FRAUD

VANCOUVER, May 9 (CP).—J. W. R. McLeod, prominent Vancouver oil man, was arrested tonight on charges of conspiracy to defraud. He was released on $10,000 bail.

McLeod is president and managing director of Freehold Oil Corporation, British Petroleums, Hargal Oils and other oil and mining enterprises.

To Compensate Rail Men Who Lose Jobs If Bill Is Approved

Canadian Senate Passes Measure to Care for Workers If Two Railways Enter Into a Co-operative Plan of Operation

OTTAWA, May 9 (CP).—Railwaymen who lose their jobs as a result of co-operative measures by the Canadian National and Canadian Pacific Railways to bring about economies will be compensated to a maximum period of five years, if the bill which passed the Senate today is approved by the House of Commons.

By a vote of thirty-four to twenty-four, which cut across party lines, the Upper House endorsed this Government bill, but not until strenuous objection had been taken to it by Hon. C. C. Ballantyne (Con., Quebec). The matter of compensation for loss of work, he contended, was one that rested solely between the companies and their employees. It was not the Government's business to legislate on matters of this character.

THE END OF EFFORTS

Senator Ballantyne feared that if the bill passed and the railway companies were compelled to pay compensation under the circumstances indicated, it would be the end of efforts to achieve co-operative economies. Railwaymen realized this and for that reason were in favor of the measure, for it was in their interest to prevent any further co-operation.

He recalled that those employees in senior positions would be able, by virtue of the union rules concerning seniority, to oust junior men from their jobs. The result would be that the persons who finally were turned out would be the lowest paid workers.

It was known that since 1929 many thousands of railwaymen had lost their jobs, said Senator Raoul Dandurand, Government leader. That class of men was unaffected by the bill. It had been indicated to Hon. C. D. Howe, Minister of Transport, that there was a special situation arising out of the prospect of men being displaced in consequence of an act of Parliament which instructed the two railways to give effect to co-operative measures.

The Railway Act incorporated the principle of compensating men under such circumstances, and that principle was now to be applied to men who lost their jobs as a result of abandonment of lines and pooling arrangements.

NAMING NEW HIGHWAY

TORONTO, May 9 (CP). — The King and Queen have granted Ontario's request that a new "super highway" between Toronto and Fort Erie be named "Queen Elizabeth's Way." Their Majesties will travel over a section of the road during their visit to Ontario.

BIRMINGHAM, Eng., May 9 (CP). —John McGeough, a member of the outlawed Irish Republican Army, was sentenced to five years' imprisonment today following conviction on charges of illegal possession of explosives.

FIRST IN SERIES OF DEBATES HELD

St. Andrew's Cathedral Parish Team Wins First Round in C.Y.O. Competition

The first debate in a series of eliminations between different branches of the Catholic Youth Organization to decide the winner of the C.Y.O. oratorical contest for the Bishop Seghers Trophy, donated by Most Rev. John C. Cody, Bishop of Victoria, was held in the parish hall of St. Andrew's Cathedral.

Gerald O'Neill and Arthur Leonard, the parish team, won from Bernard McLellan and Roger Weicker, of Our Lady of Lourdes' Parish, defeating the resolution, "That Capital Punishment Be Abolished."

On Sunday evening the same teams will meet again in the parish hall, but will uphold opposite sides of the same subject. Similar debates on this resolution are being staged Up-Island.

Rev. Father J. R. Buckley acted as chairman, and the judges were Rev. Brother E. B. Walsh, Brian Burdon-Murphy and C. S. Thomas. G. Robbins acted as timekeeper, and J. W. Bellis, president of the diocesan C.Y.O., made the introductory remarks.

Bishop Cody spoke briefly at the conclusion of the debate and congratulated the participants on their efforts.

SECTION OBJECTS TO NEW CHARGES

Chamber of Commerce Complains Against Trade and Delivery Licences in Saanich

A delegation from the Retail Merchants' Section of the Chamber of Commerce will interview the Saanich Council to present the stand of city merchants regarding the imposition of a $5 trade licence and $20 delivery licence, every six months, in that municipality.

At a meeting of the section yesterday, George E. MacDonald appointed B. Gough, J. Angus, A. S. Denny and L. W. Woodhouse, with the chairman, to meet the Saanich councillors.

It was pointed out at the meeting that Victoria merchants cannot deliver in Saanich without paying either the $5 or $20 licence. The section was informed that Saanich farmers making deliveries in the city were not charged a licence fee.

A motion was passed asking the city decorations committee to have civic decorations put up prior to May 24. Merchants decorating their own stores will be asked to do likewise.

A. S. Denny volunteered space at the back of the Standard Furniture Company as a first aid station for use during the Royal procession.

ESQUIMALT IS MAKING PLANS

Reeve Alex Lockley Chairman of Public Meeting To Arrange Details

A representative of many organizations attended a public meeting in the Esquimalt Municipal Hall last night, when further plans for the observance of Their Majesties' visit were made. Reeve Alex Lockley was chairman, and the meeting was attended by members of the council, school board, I.O.D.E., Women's Institute, Esquimalt Community Club, Boy Scouts, Girl Guides and Sea Scouts.

Mrs. R. McVie said the Esquimalt Community Club would undertake the work of providing transportation for aged and infirm residents of the municipality who wished to witness the Royal procession. J. Quinn will be in charge of the registration of ex-servicemen who will volunteer to serve in lining the route. Veterans wishing to undertake this work are asked to communicate with Mr. Quinn.

SCHOOL CHILDREN

All children of school age in Esquimalt will be allowed to stand with the Lampson Street and High School children, in front of the former institution. Parents of children attending private schools or schools in the city are requested to inform the principal of Lampson Street school if their children wish to appear with this group.

In order to facilitate policing problems along the procession route, Reeve Lockley stated that certain sections would be roped off. He also said it was hoped to erect a lighted sign, welcoming Their Majesties to Esquimalt on MacLaughlin Point at the entrance to Victoria's harbor, which may be seen from the ship carrying the King and Queen

from war than other possible mediators might have. Diplomats pointed out that the Pope assiduously had avoided taking any side in European quarrels.

FRENCH OPPOSITION

PARIS, May 9 (AP).—Members of the French Chamber of Deputies, from extreme right to extreme left, tonight openly expressed opposition to any suggestion for a five-power conference to settle the Polish-German problem of Danzig.

France and Britain, diplomatic circles said, would determine their final attitude by the reaction of their ally, Poland, as she is directly involved.

Britain, these diplomats indicated, favors negotiation if possible, while French, although anxious for a peaceful settlement, were suspicious of a conference.

CONFERS WITH BECK

WARSAW, May 9 (AP).—The Papal nuncio to Poland, Monsignor Filippo Corseti, conferred with Foreign Minister Joseph Beck today, presumably on Pope Pius' peace negotiations, while arrival of Vladimir P. Potemkin, first assistant commissar of Soviet Russia's foreign affairs, was believed to herald an improvement of Soviet-Polish relations.

It was reported, though not confirmed, that Potemkin, fresh from official talks in Rumania, Bulgaria and Turkey, would confer with Colonel Beck on Polish-Soviet relations tomorrow morning and on European problems in the afternoon. He is to resume his journey to Moscow tomorrow afternoon.

BOY SCOUT NEWS

NORTH QUADRA

Before a gathering of 150 parents and friends, a "going up" ceremony was held in the North Quadra headquarters, Glasgow Avenue, on Friday evening.

Following flag-break and grand howl, David Bond and Bobby Dovey were invested as cubs. Cubs Wallace White and Dean Cork were sent up to Scout troop. Jack Fielder, Keith Douglas, Harry Martin, Billy Graham and Welsley Swan were invested as scouts. Prizes for progress, attendance and obedience were presented to Cubs Jackie Muirhead and Clifford Hume, and Scouts Peter Smart and Frank Martin.

A programme of skits, impersonations, songs and jokes was presented by the North Quadra Rover Crew.

OUTBOARD ASSOCIATION

The monthly meeting of the Vancouver Island Outboard Association will be held in the clubrooms, 1342 Pandora Avenue, at 8 o'clock this evening. The main topic of discussion will be the forthcoming races at Shawnigan Lake on May 24. A successful meet is expected, with about five boats coming over from Seattle to add interest to the race.

BUCHAREST, Rumania, May 9 (AP).—Premier Armand Calinescu announced today a national election will be held June 1 for a new Parliament, modeled along corporate lines. It will meet June 7.

MAYOR'S INVITATION

TOKIO, May 9 (CP-Havas).—The Mayor of Tokio will invite the Governor of Rome and the Mayor of Berlin to visit this capital for ceremonies stressing the bonds linking Japan, Italy, and Germany, it was learned tonight.

Suspicious of Nazi Influx Into Danzig

FREE CITY OF DANZIG, May 9 (CP-Havas). — About 2,000 young Nazis in the guise of tourists and large number of army reservist volunteers were reported streaming into Danzig tonight from Germany.

Polish sources said there was an increase in what they declared looked much like preparations for a coup that would sweep the Free City "into the Nazi bin."

WEEKS OF WORK ARE NECESSARY

Continued from Page 1

It could hardly be expected any other important measures would be dropped.

In most sessions of Parliament many weeks are occupied with discussion of the estimates. So far this session there has been little consideration of the estimates and about $400,000,000 remain to be voted, including the much-discussed $63,000,000 defence estimates.

SOME OBJECTIONS

The budget resolutions also are still to be considered.

There is some objection among Liberal members to the attempt to prorogue Parliament next week with so much work remaining to be accomplished. Hon. R. J. Manion, Conservative leader, approved the suggestion when it first was advanced, but last week expressed doubt the objective could be reached.

It is now believed Parliament will sit next week unless, at the conclusion of Saturday's session, it is obvious that hopes of a Royal prorogation cannot be fulfilled. Sitting on Monday and Tuesday would not interfere with the Royal visit to Ottawa, which starts Wednesday.

CONVENE IN MONTREAL

MONTREAL, May 9 (CP).—Annual convention of the All-Canadian Congress of Labor will be held here September 17 and 19, it was announced tonight.

PIONEER DAYS HERE RECALLED

W. M. Halliday Addresses Credit Granters' Association on Early Victoria

Pioneer days in Victoria and other sections of this province were recalled by W. M. Halliday, former Indian agent and stipendiary magistrate at Alert Bay, at a luncheon meeting of the Credit Granters' Association in Spencer's dining-room yesterday.

Extreme hospitality was one feature of the old-timers which particularly appealed to the speaker. A man never locked his door and rarely were there any thefts, he said. "If we had this spirit of trying to help the other fellow today there wouldn't be any war scares," Mr. Halliday declared.

Credit was almost entirely sure and people were hard-working and honest, he said. Mr. Halliday added that when he first came to Victoria, on July 1, 1873, the population was 13,000, and water was being sold in buckets from a wagon.

Living conditions, amusements and humorous anecdotes of other sections of British Columbia were recalled by the speaker, who was introduced by the chairman, R. M. Lochhead, and thanked by Leonard Cox.

John—So you think you have a forgiving nature?

Edward—Yes, I must have. I go back to the same dentist.

NEW Firestone TIRE SENSATIONS FOR 1939
Firestone IMPERIAL WITH Rayodipt CORDS
Here is a deluxe tire so amazingly different that it has been acclaimed as the sensation of the year. In construction, as well as in performance, it is completely new. To create it, Firestone engineers developed a revolutionary new type body built of cool-running rayon cords treated by a new and advanced Gum-Dipping process. Its new tread sets new standards for traction, stopping power and mileage while its streamlined styling adds to the smartness of the finest car.
LIFE PROTECTOR TUBES . . . a Tire within a Tire that makes a blowout as harmless as a slow leak
Firestone CHAMPION WITH THE NEW SAFETY-LOCK CORD BODY AND NEW GEAR GRIP TREAD
After years of research on the speedways of the world and in their laboratories, Firestone engineers have developed a new type of cord body called Safety-Lock, which provides 35% greater strength. This, with Firestone's 2 Extra Cord Plies under the tread, makes possible in the Champion the use of a new thicker, tougher tread with thousands of sharp-edge angles for quick stopping, and providing far greater non-skid mileage. Never before has a tire offered so much safety and value—and at no extra cost! Have your Firestone Dealer put a set on your car now.

Senate Opposition Is Seen Developing Over Tribunal on Pensions

Government Bill Would Abolish Appeal Board for Considering Soldier Allowances—Expect Fight In Banking and Commerce Committee

OTTAWA, May 9 (CP).—Opposition to the Government's bill abolishing the Pension Appeal Court developed in the Senate today, with indications of a battle when the measure is discussed in the Banking and Commerce Committee. The Appeal Court abolition and the provision relating to pensioners' widows were strenuously contested as the measure was given second reading.

Piloting the bill, Senator J. H. King (Liberal, British Columbia) explained the set-up of the pensions machinery, stressing particularly the diminution of work now engaging the Pension Appeal Court. He emphasized that, should the bill pass, the cases formerly heard by that court would be dealt with by the pension commissioners, three of whom would make up an appeal board. By wiping out the appeal court the Government would save about $45,000 a year.

Figures cited to support this point, that the court's work had decreased, disagreed with those produced by Senator W. A. Griesbach (Conservative, Alberta), who led opposition to the bill.

The provision relating to widows set forth that if a man in receipt of a pension rating 50 per cent or larger died, he would be presumed to have died as a result of his war disability and the pension would be continued to the widow. At present this provision takes in classes from 80 to 100 per cent.

Senator Griesbach declared he would seek amendments to both these provisions when the bill was in committee. He outlined operations of the pensioning machinery, showing how it had changed during the year. With the third feature of the bill, keeping the door for pension applications open until January 1, 1942, the senator had no quarrel.

ROYAL SHIP RUNS INTO HEAVY WIND

Continued from Page 1

the Empress of Australia parted at 4:30 p.m. Greenwich mean time (8:30 a.m. P.S.T.) from the massive Repulse, with a strong southeast by south wind sending up clouds of spray off the decks of the Repulse and two other convoy warships.

Into the towering sea was thrown from the Empress a sealed cask of mail, including letters from the King and Queen to their daughters.

Earlier, the King and Queen had taken evident enjoyment watching sailors smear grease over the head of the cask to make it waterproof. Her Majesty watched closely to see how it was done.

The entire Royal suite stood on tip toes at the rail when the cask was thrown overboard, attached to a buoy carrying red and white flags. A smile lit up the King's face a few minutes later when the Repulse signaled the cask had been recovered. The big battle cruiser manoeuvred like an elephant trying to catch a grasshopper as it got into position to take the cask aboard. Most of the company aboard the Empress took occasion to write letters for the unique special mailing.

AVERAGE SPEED

The Empress has averaged seventeen knots during the voyage. When fog reduced the speed to twelve knots yesterday, the liner easily made up lost time. She covered 282 nautical miles up to noon Sunday, 396 yesterday and 407 today.

Excellent sailors, the King and Queen appeared not to mind the rolling of the ship today. His Majesty wore a lounge suit, grey topcoat and white-crowned sailor cap. The Queen appeared on deck this afternoon wearing a light blue costume and fawn felt hat with the brim rolled back.

When the moment arrived for the Repulse to turn back, the Empress slowed to ten knots and the battle cruiser surged up alongside her on the port side. More than 1,000 men lined the deck of the Repulse as the cruiser's band played the National Anthem and His Majesty took the salute.

The Marine Guards presented arms, after which the Repulse band played "Here's a Health Unto His Majesty."

Crushed to Death Beneath Tractor

NELSON, May 9 (CP). — Robert Fisher, twenty-four, was crushed to death at Passmore, twenty-two miles west of here today, when a tractor he was driving overturned and jammed him against three logs he was dragging behind the machine.

Working alone, Fisher had the logs snubbed close to the tractor when they caught on a stump and pulled the tractor over backwards upon him.

SAYS BRITAIN WILL REMAIN

Sir Robert Holland, Addressing Club, Traces Political Development in India

Because of religious and caste quarrels and other internal conditions peculiar to the country, and latterly because of the realization by the country that Japan was no longer the pacific and friendly Oriental power that she was supposed to be, India was beginning to appreciate that she was not yet ready for complete autonomy within the Empire, and that she must continue to depend on the protection of Britain, Sir Robert Holland told the Women's Canadian Club yesterday afternoon, when addressing the club at the Empress Hotel on the subject of "Recent Political Developments in India."

Until Japan's invasion of China, India had regarded Japan as an exemplary pacific nation, the speaker said. But recent events had roused India to a realization of what Japan might do to India if Britain withdrew. Even the peace-loving Rabindranath Tagore a year ago had expressed the view that any idea of cultivating Japan as a possible ally of India was at an end.

GHANDI AGAIN

Sir Robert began his address with a reference to recent mob disturbances in India in which Ghandi was a prominent figure, escaping only with the help of the police. The event, he said, was pregnant with meaning and significant of certain political developments in India today, throwing light on the still complex political, social, and religious conditions and the struggle among the warring sects as to who should have the power when Great Britain laid it down. That Britain intended eventually to lay it down the speaker seemed to have no doubt, saying that even when he first went out to India in 1896 there was an accepted principle that the British in India were preparing India to govern herself.

"British rule is still responsible for the safety and well-being of India, and there is no immediate likelihood of British rule being completely withdrawn," said the speaker in closing.

Mrs. Harold Campbell, the president, was in the chair. The musical part of the programme was given by Bernice Chisholm and Keith Littler, winners of the Women's Canadian Club trophy at the recent Musical Festival, the former playing "Sweet and Low," the latter, accompanied by Mrs. Wilson, singing "Kitty of Culrane," and the two giving their winning festival duet, "Frosty Morning."

DISCUSSES SUBJECT OF FORMER COLONIES

In the Y.M.C.A. hall last night, Donald McKinnon addressed the Victoria and District British-Israel Association on "God's Mandate to Israel."

The speaker explained that a mandate was an order, command, or official charge, and in such a manner the former German and Turkish colonies had been given to Britain. He also declared that Germany's population was the same now as when Germany had possessed these colonies, so that the reason for demanding them back was not tenable. Ninety-three per cent of those sent by Italy to colonize Ethiopia were returning to Italy. It was God's plan that Britain should carry law and order to the uttermost parts of the earth and spread the message of the Gospel and the Kingdom, and these colonies placed in her hands could not be given up.

DAYLIGHT SAVING TO BE ENDORSED

Nanaimo Board of Trade Will Approve Resolution to Associated Boards From Nelson

NANAIMO, May 9. — Nanaimo Board of Trade decided at a meeting tonight to endorse a resolution which the Nelson board is bringing before the meeting of the Associated Boards of Trade on June 26, favoring daylight saving in the province, with the exception of those places in East Kootenay where standard time is already in effect. They will favor the clocks being advanced one hour from the first Sunday in April to the first Sunday in October.

Mr. Sheldon Spurr, president of the newly-organized Nanaimo Junior Chamber of Commerce, addressed the senior board, outlining some of the projects of the Junior Chamber, chief of which is at present the formation and operation of an information bureau for tourists, which will deal fully with attractions of Nanaimo and district. Later, he said, it is the intention to co-operate with the Upper Island Publicity Bureau.

THREE SLIGHTLY HURT WHEN CAR OVERTURNS

Three young girls were slightly injured about 11 o'clock last night when the light coupe in which they were riding broke a rear wheel, ran into a bank and overturned on the West Saanich Road, according to a report made to the city police early this morning. Three boys, including the driver of the car, were uninjured.

Angela de Macedo, 746 Princess Avenue, sustained three fractured ribs and was attended by Dr. O. C. Lucas at St. Joseph's Hospital. Verna de Macedo sustained a bruised leg, and Esther Alman, 715 Princess Avenue, was slightly bruised and scratched. The driver of the car was Jack Norton, sixteen, 731 Princess Avenue, and the other passengers were Tom Norton and R. McLeod, Dupplin Road.

ANNOUNCE NEW TRAINING SCHEME

reading of a bill designed to enable the Government to call up reserves without going through public formalities. Its purpose was described as to prevent alarm when reserves are summoned.

Second reading of the bill was approved tonight on a show of hands.

Until this bill is approved, the calling out for service of any of the reserve or auxiliary forces has required the issue of a proclamation, with all its attending publicity.

LAW THIS MONTH

Prime Minister Chamberlain announced that this bill and the compulsory military training bill would become law before May 28. The military training bill, providing Great Britain's first peacetime conscription since the seventeenth century, will make all youths of twenty liable to six months' military training.

CANDIDATES ARE CHOSEN

Minister, was mentioned in connection with the Conservative nomination. But his known unwillingness to enter the British House of Commons led to his name being dropped.

A straight fight is assured in the Birmingham-Aston Division, where voting takes place May 17. Candidates are Major Edward Kellett, Conservative, and R. S. Segal, Labor.

NORTH IRELAND SEAT

Only one candidate so far has come forward for the County Down by-election. In this two-member Northern Ireland constituency the Conservatives had an overwhelming majority of 46,000 over a Republican in 1935. Dr. H. Litzle, a prominent Orangeman and minister of Castlereagh Presbyterian Church, is the Government nominee. Nomination day is tomorrow and voting May 18—assuming there is a contest.

CONSERVATIVES WILL ORGANIZE

Five of Seven Subdivision Leaders Named in Oak Bay This Week

Organizing in Gordon Head and Ten Mile Point districts this week, the Oak Bay District Conservative Association divided the new provincial riding to be set up in Oak Bay into seven subdivisions, corresponding roughly to wards under the old system. Brig. J. Sutherland Brown presided at a well-attended rally held in the Scout Hall, Cadboro Bay. Several new members joined the association.

Without effect except in organizational plans, the seven subdivisions decided upon by the association were sketched out yesterday by G. F. Salmon, secretary, as follows:

SEVEN AREAS

Subdivision 1—Capt. W. E. Tapley, organizer, to include polling divisions 101 to 103.

Subdivision 2—J. R. Brandson, organizer, to include polling divisions 104 to 107.

Subdivision 3—F. A. Pearce, organizer, to include polling divisions 108 to 112.

Subdivision 4—J. G. Thomson, organizer, to include polling divisions 113 to 116.

Subdivision 5—Organizer to be named, to include polling divisions 117 to 119.

Subdivision 6—Organizer to be named, to include polling divisions 120 to 122.

Subdivision 7—(Saanich areas) Captain R. S. Johnson, organizer, to include polling divisions 123 and 124.

OAK BAY GROWING

The June meeting of the organization was set for June 12, at St. Mary's Hall.

Touching on another issue, Oak Bay Conservatives decided to ask postal authorities for an improved mail service in Oak Bay, on account of the rapid influx of population.

FREED OF CHARGE

NEW WESTMINSTER, May 9 (CP).—Directed by Mr. Justice Denis Murphy to bring in a verdict of not guilty, an assize court jury today acquitted Duncan Paterson, of Stave Falls, of a charge of manslaughter laid following a traffic accident.

Some wives object to life insurance - *but* widows never do!

Let *your* widow bless the day you gave her Imperial Life protection

THOUSANDS of foresighted men, realizing the uncertainty of life and the great hazards of business, have turned to Imperial Life insurance as one unfailing guarantee of security for their loved ones should "the unexpected" happen.

From the shoulders of these husbands and fathers a great weight has been lifted. They know that whatever happens their widows will never have the burden of poverty added to the grief of bereavement. These men know that the education and welfare of their children is assured. They know that if, happily, they themselves should survive, they will profit personally from an unbeatable, never-failing investment.

Decide now to take this easy but all-important step that guarantees your family's financial security, *whatever happens!*

See the Imperial Life representative today.

An income for life for this widow with three small children

When Mr. M. died in 1929, his widow was left with 3 small children. Bowed with grief as she was, Mrs. M. was spared the added blow of poverty. Years before, Mr. M. had foresightedly provided for his family's future. He owned Imperial Life insurance totalling $20,000.

Ever since his death Mrs. M. has received a monthly cheque never less than $106. She will receive these welcome payments for the rest of her life.

And Mrs. M. is comforted and contented in the knowledge that should she pass on, her children will be provided for until they are of income-earning age.

SPRING-TIME *is* MOBILOIL-TIME

DRAIN AND RE-FILL *NOW*

● Summer lies ahead, with your motor churning steadily hour after hour on long trips. Oil must take a terrific beating under sizzling heat. That's why you need Mobiloil.

Mobiloil stands up because those elements which won't stand up have been removed. The sludge-forming elements, the carbon-forming wax are got rid of by vacuum distillation, Clearosol Refining and modern solvent dewaxing. Then the oil is filtered again and again to remove the last trace of unwanted material. That's why Mobiloil is practically 100% lubrication. Naturally it lasts longer—as much as 25% longer, motorists report. It keeps your engine cleaner, livelier, smoother-running. It forms a tough protective film which heat doesn't break down, and close bearing clearances can't squeeze out. Why trust your car to anything less than Mobiloil this summer? Drive in where you see the Mobiloil sign.

GARGOYLE INDUSTRIAL LUBRICANTS, used widely throughout all branches of industry, are manufactured by the makers of Mobiloil.

CALENDAR OF FLOWERS

Once again garden lovers of Victoria and vicinity have contributed something of exportable value to the town. Victoria gardens, a delight and a pleasure for those who keep them, are rapidly becoming part of the community's good name abroad. Northwest gardeners, in the city recently, carried away with them cuttings, photographs and memories, as tangible and intangible proofs of their interest and gratification in what they were privileged to see.

There are, perhaps, few outlets for leisure time and recreation that can yield more lasting dividends in real satisfaction than to bring beauty to its richest cultivation. It is a hobby that ennobles its possessor, and enriches mankind, without making one person the poorer thereby. Indeed, this is wealth added to the whole community, which becomes the happier and the brighter for the self-sacrificing labors of the hobbyists.

It is good in times of stress and strain to find such a large proportion of the community interested in gardens, and keeping them up. Who can measure adequately the personal benefits in health and tranquility that flow from such a course? There is something entirely sane about the man or woman who can show a personal concern with that portion of their surroundings that they can alter and improve to their own satisfaction.

The sum of joint efforts, the cumulative effect of many fine gardens, make a definitive contribution to the community, not alone at home, but abroad. Victoria, as has so often been pointed out, has its Calendar of Flowers. It is a calendar that reaches its brightest displays in June, but one, moreover, that is beautiful every month in the year. If at times we are inclined to take all this for granted, it is good to learn that visitors do not.

SHARING A HOLIDAY

Making allowances for what might be termed the agitation of official minds, no opportunity should be left unexplored by this community in assuring its friends and neighbors in all Vancouver Island towns and settlements that they and their children will be heartily welcome here during the time of the Royal Visit. Happily, the city and supporting agencies have now acted to make this plain.

Up until quite recently, perusal of Up-Island dailies and weeklies would have shown that the official correspondence on the subject had left more than a little to the imagination. Victoria has made it plain now that as hostess city for a truly great occasion it will play the part handsomely, and without niggling reservations.

Up-Island Mayors and Reeves, and their attendants, are to be received and given a special place in the arrangements. Vancouver Island children will be brought here by train and provided with vantage points on the route of the procession. Women's organizations are undertaking special tasks in connection with the comfort and security of the children. Which is all as it should be.

The sole purpose of Vancouver Island residents, no matter from where they may hail, will be to extend an united and loyal welcome to Their Majesties. There will be no room in this for disputes over precedence, or for parochialism in any form. The occasion will be a once-in-a-lifetime opportunity for the children. All agencies should combine to make and keep it so.

Victoria's invitation to Vancouver Island communities should be put in unmistakable terms. For this will be a holiday all will want to share.

TIME FOR ACTION

Resisted at the time, unwieldy since, and now a bone of contention between the municipalities and the two senior Governments, the classification of any section of the public under the definition of "unemployable" has contributed little to the settlement of very real problems grouped under the general heading of relief.

Both through the operation of the Residence and Responsibility Act, and in the carrying out of Federal and Provincial relief agreements, municipalities of this Province have had transferred to them more than 8,000 individuals for whom the two senior Governments at one time acknowledged responsibility. If now the municipalities are seeking to hand some of the added burden back, those who made the first move in the case have only themselves to blame.

It is obvious, none the less, that the mere transfer of names from one list to another list will do little in the way of providing a solution. There is in that course alone all the dangers inherent on divided responsibility, which has never yet been worked out. It is a pity, moreover, that financial costs of the cities, towns and villages under other heads should become mixed in with the problem of unemployment relief, already complicated enough in itself.

In the working out of these difficulties some means should be found to do away with an unjust and arbitrary definition that would divide men permanently into classes with different privileges and rights before the State. In the last analysis, what man is unemployable, given a reasonable opportunity? It was not on that basis that Canada was pioneered and became great.

Financial settlement as between the municipalities and their senior Governments is another matter, one overdue for a thorough-going review. Elected on the pledge of more assistance to the municipalities, the present Provincial Administration should not require urging in a situation which long ago outgrew the realm of promises. What the municipalities would appear to need most is help, not advice.

FIRE SEASON HERE

Throughout the length and breadth of British Columbia, wherever there are green timbers, and men whose fortunes and livelihoods depend upon them, advance signals of the annual warfare against forest fires have already been given. Care with fire in the woods is everybody's duty, and one that may not be neglected safely.

This year, to an extent not before possible, the public will be guided on its outings to forest recreation camps and picnic grounds, where they will find all in readiness for them. There will be fireplaces, water supply, and other necessary conveniences, made available through the operation of the British Columbia Forest Service.

Fire-occurrence maps, on the other hand, show that by far the greater number of outbreaks in the bush are attributable to human carelessness, and take place along all navigable waterways, highways, and wherever the public has readiest access to the forests. It is from these outside-the-parks areas that fires most often are reported, and do the greatest damage to growing timber.

The chief causes of forest fires are so few and so easily avoided that it is well to enlist public co-operation in the case. Dropping smouldering cigarettes, cigars or pipe-ash along the roadsides; building calling-all-mariners' beacons to boil a small kettle; laying fire on dry moss and pine needles; and leaving fires to put themselves out are each year the causes of disastrous blazes.

If the picnicking public will be responsible for their own fires, and report all others they may see to the nearest policeman or forest ranger, the load on trained firefighters need not be augmented by avoidable carelessness. It is the smallest spark that starts the largest fire.

In use in Great Britain for some time, television met one of its most ambitious tests on Saturday, in connection with the sailing of Their Majesties for Canada. Bright skies, gaily-cheering crowds and all the pageantry of leave-taking reappeared on the screens in many a home, almost instantaneously. It is another proof, not alone of the advance of invention, but that democracies can afford to exhibit themselves, if need be, to the world. Meanwhile, on this continent, television sets are being advertised for home use at figures not greatly in advance of the first cabinet radio receivers. The scope and range of the sets are limited as yet, due to mechanical difficulties. Just around the corner, however, is the promise that television may become universal, through the adoption of short-wave wireless relays from the originating stations.

A falsehood, dropped into the pool of human consciousness, ripples on forever, one lap ahead of the most prompt and insistent denials. The truth, on the other hand, requires neither apology nor aught by way of explanation. The truth speaks for itself.

With world's fairs at both sides of this continent, and the Royal tour in our own country, the North American continent would seem to be the Mecca for visitors this year. It will be a peaceful invasion.

Victoria continues to hold the lead for the percentage of air-travel patrons per thousand of population originating here. Not only air-minded, it might be said, but fresh-air-minded.

As time goes on, the Victoria-Vancouver air crossing will be appreciated as one of the most beautiful that Canada has to offer.

Man, being lazy, will often consume more energy in avoiding work than the performance of any task itself would entail.

The wise prove, and the foolish confess, by their conduct, that a life of employment is the only life worth leading.—Paley.

Failure is more frequently from want of energy than want of capital.—Daniel Webster.

Note and Comment

By Sandham Graves

Matters would seem to have progressed far when our own Canadian Broadcasting Corporation will not carry a public plea for peace from one who, whatever the past, on Monday gained the ear of the world. By whose decision was it that the peoples of America would hear at first hand that which Canadians might not? Since when has Canada applied a censorship, not against the destructive forces which would demolish all mankind, but against those who—in the name of the dead—would urge peace, while there is yet hope of peace?

• • •

Seldom has this column listened to a more eloquent message; one which required more courage to voice, or which rang more truly in the living interests of all mankind. Will we, indeed, not listen to the dead? Have matters progressed that far? For those who, through the courtesy of United States stations, heard the broadcast or the rebroadcast appeal of H.R.H. the Duke of Windsor, sincerity was implicit in its every word.

• • •

Here was the world in arms; nation set against nation in blind, unreasoning passion; would not the world pause, long enough to see if there was not a better way? Would not statesmen try once again to find the paths of peace, not for one nation but for all nations; not for one party, but for all mankind? What was so ill-timed about that? Is it, then, a crime to seek peace? Is it a voiceless, nameless thing to appeal to reason in a world gone mad?

• • •

Of what were we afraid? Was it of the eyes and supplicating hands of nine million men who died believing they had left us peace—to cherish? We who saw them die will not give up so readily the hope that men will learn, not to die, but live at peace with one another. There still is time. There are still ways. Man must strive on and upward toward a common goal, or perish. Who dares to raise his hand and say it can't be done, while one small spark of reason lives? He moves against the living spirit of all men, who dares say so!

• • •

And what of the censor? Are we to have madmen shouting in a foreign tongue the pagan creeds of war and conquest, and not hear one who speaks a language that the peoples of the world may know for truth and recognize? Are we to sabotage the very acts of peace, itself, however late the hour, and near the awful abyss from which not twice may man return? What if a man speaks out of turn; can he be less a man for that, who tells us that the dead are watching, waiting still?

• • •

We've traveled far indeed if this be freedom, and the vaunted right to say and hear that which we will. Whom may we trust, if those who speak for peace are muzzled before they even have begun? Here in Canada are men, not children; men who stood up under all that war could send, and give again. Must they have speeches sifted through a fine silk gauze to strain out truth, when truth is being spoken? Who said so, and where did they acquire that right? Not from the people. But what was the message? Because the whole world heard it. It read, in part:

• • •

"I am speaking tonight from Verdun. . . . Upon this and other battlefields throughout the world millions of men suffered, and died. As I talk to you from this historic spot I am deeply conscious of the presence of the great company of the dead, and I am convinced that, could they make their voices heard, they would be with me in what I am about to say.

• • •

"You and I know that peace is a matter far too vital for our happiness to be treated as a political question. We also know that in modern warfare the victory will lie only with the powers of evil. Anarchy and chaos are the inevitable results, with consequent misery for us all.

• • •

"These valuable experiences (travel) have left me with the profound conviction that there is not a land whose people want war. This I believe to be true of the German nation, as of the British nation to which I belong, as it is of you in America, and the French nation on whose friendly soil I now reside.

• • •

"Whatever political disagreements may have arisen in the past, the supreme importance of averting war will, I feel confident, impel all those in power to renew their endeavors to bring about a peaceful settlement. . . . It is in a larger spirit than that of personal or purely national interests that peace must be pursued. . . . In the name of those who fell in the last war, I urge all political leaders to be resolute in the discharge of this mission.

• • •

"The greatest success that any government could achieve for its own national policy would be nothing in comparison with the triumph of having contributed to save humanity from the terrible fate which threatens it today. . . . God grant that they may accomplish that great task before it is too late."

DIES AT DRUMHELLER

DRUMHELLER, Alta., May 9 (CP)—G. J. Anderson, one of Drumheller's prominent businessmen, died here today.

SPECIAL SHIPS TO BRING BIG CROWDS

Transportation companies operating into this port plan to place a number of special ships in service to cope with the large influx of visitors expected during the presence of Their Majesties, according to Alderman W. Lloyd Morgan, chairman of a committee on transportation and dining arrangements.

The Black Ball Ferry Company will make three trips to Sidney on its regular Summer schedule, and four between Port Angeles and Victoria. In addition, the company intends to bring two vessels from Seattle.

Two special ships will be used from Seattle by the B.C. Coast Service, in addition to the regular steamer.

Extra trains will be operated by the E. & N. Railway for the convenience of Up-Island visitors and children.

Glancing Over Sport

There certainly has been plenty of gossip about the big league debut by Freddie Hutchinson, young Seattle-born star, and now the property of Detroit Tigers. Hutch went into the game against the heavy-hitting Yankees with the score 13-2 against him and the bases loaded. He lasted two-thirds of an inning before being beckoned to the showers. The Yanks scored seven runs off him. Next day Hutch was sent to the minors by the club. Some say Manager Baker was right in sending the youngster into the game. I firmly believe it was poor strategy. The "kid" must have been nervous when he stepped on the mound to face the "murderers' row" of the hardest hitting club in baseball. When the Yanks are on the war path there isn't a pitcher living who could stop them. Hutch will come back, for he has something on the ball to win twenty-five games in the coast last year to head the league . . . Some surprises in the Hunting Cup golf match Monday at Colwood, in which Victoria women trimmed Vancouver by ten points. Mrs. Dowell upset Miss Kaye Farrell, the British Columbia champion, and then Mrs. Wade came along and evened matters by downing the city titleholder, Peggy Hodgson . . . Expect to see a big turn out at the opening local ball game this evening at the Athletic Park.—J.D.

Joey on the Spot

Joey, of the Gorge, was hastily snatching a few bites of dinner at a counter. A passing friend became intrigued by Joey's victualling motions. "You act as if you had not eaten for a week. I'll bet you do not know the difference between cannibals and ordinary people," he remarked. Balancing some green peas on his knife with uncanny accuracy, Joey replied: "I remember being taught in school that cannibals eat their enemies. Ordinary people go no further than to live on their friends and relatives" . . . Joey once remarked to our tobacconist friend that a corkscrew was the turning point in his life . . . He is a strong believer that some men never complete their education and remain bachelors to the end . . . He feels life is happiest for those who have enough work to keep their minds off it . . . "I wonder how many girls will be made unhappy when I get married," he mused one day. "That depends on how many times you get married," he was told . . . Joey recalls the time when people used to strive for education, but now it is so easy to get that nobody seems to want it . . . After reading the daily news reports from Europe, he feels the dove of peace should be equipped with a gas mask . . . Joey is convinced there is lots of room at the top of the ladder but we need more nice soft places half way up.—G.B.

A Gold Mine?

With the Royal visit to Victoria becoming more of a reality it would be interesting if some statistician with a wealth of spare time on his hands would commence figuring out in dollars and cents just how much the brief sojourn of King George VI and Queen Elizabeth will mean to this city. We don't wish to appear overly commercial, but the tourist dollars that will be left in Victoria late this month and early in June should hit a new high for hotel and resort proprietors and merchants alike. We only hope our city will be able to maintain its reputation for hospitality and courtesy.—W.I.F.

BATTALION DINNER

The annual dinner of the 7th Battalion will be held on Saturday evening, June 3, in Spencer's dining-room. The dinner will commence at 7:30 o'clock and tickets may be secured from Henry F. Jarvis, president, by phoning E 7863, D. G. Holmes, G 4380, or from the Britannia Branch clubrooms, View Street.

FIRE IN APARTMENT

CALGARY, May 9 (CP)—Mrs. Jean Anderson suffered leg and arm burns in a fire that swept a ground floor suite of an apartment here last night. Sixteen tenants of the building were forced to leave. Damage was placed at $1,200.

TELLS OF VISIT TO "OLD LAND"

S. E. Dean Informs Kiwanians of Conditions That Prevail in British Isles

Sydney E. Dean, manufacturers' agent of Vancouver who is well known in Victoria, was the speaker at the Kiwanis Club luncheon in the Empress Hotel yesterday, and in his address, recalled interesting features of a visit to the Old Country and his return trip, ending with a toast to Victoria which he described as "the most charming of places."

Mr. Dean told of being in London at the time of the crisis in international affairs. He was in Whitehall when Rt. Hon. Neville Chamberlain came back from Munich. At that time, he said, there was evidence everywhere of preparations for war. Armed men were everywhere to be seen, and young men were in training for the services.

VISITED FACTORIES

In the course of his address he told of his visits to the various factories which manufactured goods which his firm handled. In Ireland he was shown the great work carried out in the making of fancy dishes, and exhibited a piece in which delicate rose work had been made by a workman over seventy years of age.

Describing the life of the people in this part of Ireland, the speaker said that they were satisfied with their lot, and knew nothing of the world outside.

In London changes were taking place, with old buildings disappearing and new quarters taking their places. He referred to the practice that prevailed among many of the business houses of providing lunch for the employees. These firms built up their business on the integrity of the houses.

Visits to Glasgow and Edinburgh and other Scottish cities were described. Mr. Dean mentioned that the railway trip south was made at an average speed of sixty-two miles an hour.

TAG DAY ON SATURDAY

Sir,—The Sir Matthew Baillie Begbie Chapter of the I.O.D.E. have for some considerable time been supplying cod liver oil to sick and underprivileged persons, especially children.

Such a service to the community hardly needs endorsation, but in view of the tag day being held next Saturday to help to obtain funds for this worthy purpose, I would like to commend the action of the chapter to the public and to ask them to give freely on that occasion.

To Sell Radiators

Tenders will be called to dispose of old radiators in the boys' club at 2840 Cook Street, it was decided at a meeting of the City Council lands committee yesterday afternoon.

W. H. Johnston was awarded a contract to repaint the city yard at 855 Yates Street, and the Occidental Hotel. F. Rawnsley was awarded a contract to repaint the Jubilee, Royal Arms and Metropole Hotels.

According to Culbertson

"Dear Mr. Culbertson: The enclosed hand, which occurred in a recent tournament, caused much discussion between my partner and myself, inasmuch as it resulted in a very bad board. Most pairs in the tournament reached three no trump which, of course, is hard to miss, but it is interesting to note what a difference would be made in the play of the hand by shifting the seven and eight of diamonds in the East-West hands. Your expression of an opinion as to the offender in this case will, I feel sure, be helpful in settling a sore spot in a long-standing partnership.

"North, dealer.

The bidding

"West opened the diamond king and, when it was allowed to hold, shifted to a club. East won and returned the diamond seven. Declarer ducked and West could not help himself, but had to overtake with the diamond eight. He exited by leading another club. Declarer won in his own hand and led the queen of hearts. West covered and dummy's ace won. Three rounds of clubs now made it difficult for West to discard. He followed to one round and let go one diamond and one spade. Declarer led a heart to the jack, dropping West's ten, then played the ace and jack of diamonds. West was forced on lead with the diamond queen and had to return a spade. Declarer let this ride to his own queen and thereby made two spade tricks to give him an overtrick on his less-than-game contract.—H.Q., Pittsburgh."

The responsibility for failing to reach the laydown game contract must be placed squarely on North's shoulders. North undoubtedly worked on the theory that he had opened the bidding and later had made a free reverse bid of the higher ranking heart suit. He probably argued to himself that this sequence fully revealed his strength and as a matter of fact he was right. But this did not excuse his excessive timidity in stopping one trick short of game when his partner had shown strength. From North's point of view, South's rebid of no trump, in the face of the diamond overcall, should have been impressive. Surely South would not choose that action unless he were well prepared for a diamond lead. North, himself, not only had control of three suits, but had a five-card club suit that presumably would be easy to establish and which might very well produce five tricks. Thus, regardless of the implied strength of North's bidding, he should have taken the concrete action of putting the partnership into a game contract.

As to the play, I cannot see that the seven of diamonds, as against the eight, had the slightest bearing. Let us give East the eight of diamonds and West the seven, as my correspondent suggests. West's opening lead of the diamond king holds and the club shift is made, East winning with the king. Now East returns the diamond eight. Declarer puts up the ace and takes the heart finesse, capturing West's king. The clubs are run off as before, declarer discarding a heart and a spade. With five cards left in all hands, declarer's are the Q-7 of spades, the jack of hearts, and the J-4 of diamonds. West holds the K-8 of spades and Q-10-9 of diamonds. Declarer now leads a heart to his jack and, at this trick, West cannot afford to blank the spade king, hence must let go a diamond. Declarer now can make an end-play in either of two suits, spades or diamonds. He can lead a spade to the ace and returns a spade forcing a diamond return, or can throw West in with a diamond and force a lead from the spade king. As a matter of fact, East could have had the 10-9-8 of diamonds instead of the 7-6-5 and it would not have made any difference.

The time used is Pacific Standard for the 120th Meridian west. It is counted from 0 to 24 hours, from midnight to midnight. The figures for height serve to distinguish high water from low water. Where blanks occur in the table, the tide rises or falls continuously during two successive tidal periods without turning.

The height is in feet and tenths of a foot, measured from the average level of low water.

To find the depth of low water on the sill of the Esquimalt Drydock, add 18.8 feet.

Curious Stranger: "Changing a tire, eh?"

Driver: "No, just a kindly disposition. I get out every few miles and jack it up to give it a rest."

FIFTY YEARS AGO TODAY

(From The Daily Colonist of May 10, 1889)

Another Electric Road—Ex-Mayor Leary and other capitalists of Seattle have joined for the purpose of building an electric road to Lake Washington, four miles long. A cable road already reaches the lake, but it is too slow and expensive as compared with electric motors. The latter can be driven, when beyond the city limits, at the rate of twenty miles an hour.

Medical Council — At the annual meeting of the Medical Council of British Columbia held recently, the following gentlemen were registered as practitioners, having passed a successful examination: Dr. Hasell, Comox; Dr. Strothers, Donald; Dr. MacGillis, Victoria. The officers appointed for the year were: President, Dr. W. J. McGuigan, Vancouver; vice-president, Dr. S. Tunstall, Kamloops; registrar and secretary, Dr. G. L. Milne, Victoria; treasurer, Dr. Hannington, Victoria. The next semi-annual meeting will be held in November of this year in New Westminster.

New Towing Steamer—Evans, Coleman & Evans, of Vancouver, have purchased the steel steamer Tepic, for the purpose of towing logs, freight, etc. She is now due from San Francisco. The Tepic is a screw steamer 70 feet long, 16 ft. 3 in. beam and 8 ft. 2 in. in depth of hold. She has compound engines made by Penn, of Greenwich.

Stocks Display Good Comeback On Wall Street

NEW YORK, May 9 (AP).—Stocks pushed up 1 to more than 3 points in today's market as worries over Europe lessened and new hopes were seen for a quick ending of the soft coal tie-up.

Recovery proponents were encouraged on the expansion in activity of the comeback. Transfers of 710,460 shares compared with 349,630 the day before. The Associated Press average of 60 issues was up .8 of a point at 46.3.

With representatives of the coal operators and miners meeting with the President at the White House, Wall Street got the idea Federal intervention would succeed in straightening out the fuel crisis which is presently menacing the nation's industry and transport.

Prominent stocks on the upswing included U.S. Steel, Bethlehem, Chrysler, General Motors, Westinghouse, General Electric, U.S. Rubber, Sears Roebuck, Johns-Manville, Eastman Kodak, Santa Fe, Southern Railway, International Harvester, Douglas Aircraft and American Telephone.

The bond market moved up in a vigorous fashion unseen in weeks today.

U.S. Government scored net gains ranging from 3-32 to 29-32. The low-yield corporate group rose to a new 1939 top.

Italian Public Utility 7's were up 3 at 45 and Milan 6 1-2's gained 2 1-4 at 61.

His *Pipe* Made Him an Admiral

That stout old seadog Jean Bart was commanded to present himself before the *Grand Monarch*, Louis XIV. Perhaps even he was nervous. Anyhow, in the king's antechamber, he pulled out his pipe and smoked. The courtiers were ready to drop dead with fright.

But the King approved this rugged independence and said, "I make you admiral of my fleet".

In those days, tobacco was crudely cultivated and cured; but it cost, literally, its weight in silver. The refinements of pipe tobaccos, cigars and cigarettes were unknown. Today the tobacco industry provides the livelihood of over 300,000 Canadians (farmers, factory workers, wholesalers, retailers, with their dependents) to ensure that you shall get the smokes you want, when and where you want them, and as you like them best.

WHAT'S DOING ON THE LOCAL RETAIL PRODUCE MARKET

Local wholesalers reported a shortage of asparagus owing to there being no further imports of this commodity. At present the local market is not able to supply the demand, and the prices remain firm. Mexican tomatoes are practically finished, while local tomatoes are plentiful, wholesalers said. New potatoes are scarce as a result of the large local demand; however, further supplies within the next few days will satisfy the demand.

Shipments of California peas, Okanagan apples and onions arrived on the row on Monday, and a carload of Yakima gems yesterday.

Expected today is a carload of California lettuce, celery and carrots, and a shipment of bananas. Strawberries from California are still arriving daily, and are of good quality.

London Stocks

LONDON, May 9 (AP).—The stock market continued to advance today. Main stimulants, brokers said, were excellent employment figures and a reduction in war risk rates. Domestic rails advanced sharply and industrials received new support. British funds moved briskly higher on buying credited to institutions. Golds and mining shares advanced and oils were evenly maintained. Trans-Atlantics sold above parity levels.

WHEAT FUTURES BOUND UP AGAIN

WINNIPEG, May 9 (CP).—Wheat futures prices bounded back from early losses at Winnipeg today and finished the broad session with substantial gains.

Strength at Chicago, which followed continued unfavorable crop advices from the United States Southwest and reports of dust storms in Saskatchewan and Alberta, brought out good support from outside interests and Winnipeg traders.

Quotations at the close were 3-8 to 3-4 cent higher, with May at 66, July 67 to 67 1-8 and October 68 1-8 cents.

Export sales of Canadian wheat were placed at 250,000 bushels, said to have been worked chiefly to the United Kingdom from Vancouver.

Liverpool closed 1-2d up to 1-8d down, and Buenos Aires was unchanged to 1-8 cent up most of the session.

Exporters were credited with picking substantial supplies of Red Spring and Durums in cash wheat. Pit trade in coarse grains was featureless.

KEEN MATCHES IN BOWLING TOURNEY

Close matches featured the play last night at the carpet bowling tournament being held in the A.O.F. Hall, which is now in its final stages. In the finals of the championship singles, W. B. Colvin won a close decision over F. Bendall, after thirty-one ends, with a score of 21-1. J. Wilmhurst won the finals of the novice singles by his win over J. Brookes, 21-14. Mrs. J. McMillan won the ladies' single event for the fourth year by her win over Mrs. Waldron, 21-15. H. Bates and E. Wescott won the open doubles event over W. Cull and B. Thomas, 1-16, after a close game throughout.

The triples semi-final between A. Stewart, Mr. and Mrs. Rogers and R. Wood, Miss Blygh and A. Findlay furnished some further excellent bowling, both teams being tied on the last end, 15-all, the former team winning on the extra end, 15-16.

The S.O.E. Republic (J. Baron, skip) defeated the A.O.F. Rangers (W. Latham, skip) in the A. and N. Cup competition final, 21-9.

The A.O.F. Sherwood (W. Colvin, skip) defeated A.O.F. Robin Hood (W. Bridge, skip) in the Kiwanis Cup final, 19-16.

In the Spencer Cup, the Willows Thistles (Mrs. J. McMillan, skip) defeated Esquimalt Redbirds (Mrs. Stewart, skip), 18-14.

Today's draw: Spencer Cup final, A.O.F. Triumph vs. Willows Thistles.

Thursday's draw: Mixed doubles final, A. Stewart and Mrs. Waldron vs. Colvin and Mrs. Hatcher. Kiwanis Cup, Esquimalt Redbirds vs. A.O.F. Triumph.

THREE HOMERS POLED OUT AS SEASON OPENS

Stevedores and Ken-Tractors Take Senior Softball Tussles

Heavy hitting in one frame last night brought the Victoria Longshoremen and Ken-Tractors through to victory as senior "A" softball nines lifted the curtain on another season's play.

Playing at Royal Athletic Park, stevedores levelled their long-range guns on the offerings of Pitcher Ray Byers, of the New Method Laundry, in the fourth frame and drove across seven runs. The final score was 10-6 in favor of the freight jugglers.

Manager Eddie Short's Ken-Tractors, Saanich nine, pounced on "Smiling" Red Palmer, Douglas Tire Shop hurler, in the ninth frame for five runs and wound up on the long end of a 9-2 count at Victoria West Park. It was a real ball game until that time.

Opening night fans were treated to plenty of real slugging at the Caledonia Avenue ball lot, where the stevedores and the laundrymen hammered out twenty-four base knocks, each collecting an even dozen. Three homers were poled out, with Sandsbury, New Method Laundry, and Hornsby and Dale, of the winners, sharing the honors.

HORNSBY HITS HOMER

Trailing by two runs in their half of the third frame, longshoremen knotted the score on "Roger" Hornsby's circuit drive to the centre field fence, with a mate on the initial cushion. In the fourth session the stevedores won the seven-inning tussle by driving seven runners across the plate. They bunched five safeties, including Dale's homer and Hornsby's double during their attack on Byers, opposing moundsman.

Laundrymen finally got to the fast-ball hurling of Bill Teskey, 225-pound longshoremen pitcher, in the seventh frame, and bunched four bingles, one a circuit blow by Sandsbury.

Burgess Berry and "Red" Erickson led the hitters with three out of four and three out of five, respectively.

Byers breezed four longshoremen batters, one more than Teskey, his opponent on the mound.

KEN-TRACTORS WIN

Playing smart ball behind the effective mound performance of Archie McBride, Ken-Tractors kept pace with the Victoria Longshoremen by turning back the Douglas Tire Shop, 9-2, at Victoria West Park. A five-run barrage in the last frame enabled the winners to greatly widen their margin of victory.

For eight innings it was anybody's ball game, with Manager Frank Shandley's tiremen always within striking distance of the opposition. However, when Palmer showed signs of weakening in the ninth inning the Ken-Tractors hammered out telling blows and sent five runners scampering across the plate.

Archie McBride on the hill for the winners, twirled winning ball and kept the hits well scattered. Never in any great difficulty all during the game. Manager Eddie Short's star twirler had a good evening.

Score by innings:

Ken-Tractors	000 102 015—9
Douglas Tire	001 001 000—2

Batteries — A. McBride and B. Mossey, Palmer and Caddell.

CUMBERLAND IN SOCCER VICTORY

NANAIMO, May 9 — Cumberland Rangers soccer team won the Brackman-Ker Cup and the Up-Island championship here, when they handed Port Alberni players a 4-1 defeat. Alberni were in the game all the way, holding the score to 2-1 at half time, and keeping the forwards out for another thirty minutes in the second. Conti and Thorburn had scored in the first half, and Uke Gray converted a penalty kick for Alberni. Henry Watson scored Rangers' third goal, and four minutes from time Bannerman put through their fourth counter.

White and Gray, on the Coasters' forward line, were a constant menace to the Cumberland team, and forced four corners in a row in a desperate attempt to equalize early in the second half. Harry Tivey, playing in goal for Alberni, gave a very fine exhibition of goal tending. It is his first football season. Ty Conti and Thorburn were outstanding on the Rangers' team. Four hundred watched the game.

W. H. WARREN IS GUEST SPEAKER

Addresses Victoria Horticultural Society on Trees and Shrubs For Victoria

W. Herbert Warren, parks superintendent, last night addressed a meeting of the Victoria Horticultural Society held in the City Hall.

Speaking on arboreal growth in Victoria, Mr. Warren said: "The great wealth of trees and shrubs that can be grown here is scarcely beginning to be appreciated." It had been repeatedly said that on Vancouver Island a greater variety of trees, shrubs and plants could be grown than anywhere else in the Dominion, because of the mild climate, he stated.

"In Victoria, the parks department has taken considerable interest in increasing its collection of flowering trees and shrubs, particularly deciduous ones, with a view to selecting the best for use on the boulevards," the speaker continued.

Mr. Warren laid down a few general rules for the selection, planting, pruning and the care of trees and shrubs to be used in gardens.

The society extended thanks to all those whose help made the Spring Garden Week and Flower Show a success, particularly the owners of the gardens which were open during the week. Alex. Main presided at the meeting.

Football Dance

With the net proceeds going to the injured players' fund, the Wednesday Football League will hold a dance Friday night at the Chamber of Commerce. Dancing will start at 9 o'clock and continue until 1 o'clock. Prizes, novelties and floor numbers have been added to the programme.

KILLED AT PRACTICE

LETHBRIDGE, Alta., May 9 (CP).—Charles Symonds, twenty-seven, only son of William Symonds, superintendent of the Lethbridge Street Railway system, was killed today in a shooting accident at his home. The young man was target practising with a revolver in the basement. The accident is believed to have occurred after his foot broke through a box on which he was resting while taking aim.

City and District

Two Fined—One motorist was fined $2.50 in the city police court for parking over the hour limit. Another was assessed the same penalty for night parking.

Juvenile Judge—At its meeting on Monday night, the Esquimalt council decided to request the Attorney-General to appoint a judge for the municipality's juvenile court.

Subdivision Popular — Offers of $250 each for two more lots in the recently established subdivision south of Old Esquimalt Road, were accepted by the municipal council on Monday night.

Chinese Dies—Yuen Kee, aged Chinese, fell dead in his room at 1824 Government Street early yesterday morning. He is survived by a wife and a married son and daughter in China.

Unfair Prices—A complaint that reverted houses and lots were being sold at unfair prices was contained in a letter to the City Council from Mrs. Mabel Loggin, 310 Phoenix Place.

Bill for Fence—The sum of $30.80 for half the cost of a new fence between the Royal Jubilee Hospital and the city Isolation Hospital was sought in a letter to the City Council from the hospital directors.

New Dwelling—Andrew H. Durham secured a $3,000 city building permit to erect a five-room dwelling at 30 Boyd Street. It will measure thirty-eight by forty feet, with a basement garage stucco exterior walls and fir and oak floors.

In Sympathy—Mayor McGavin and the City Council intend to dispatch a telegram of sympathy with the moral rearmament move in the United States. A mass meeting is to be held at Madison Square Garden, New York, next Sunday night.

Cars Collide—Automobiles driven by Charles E. Swaisland, 1377 Hampshire Road, and David Nicol, 2014 Foul Bay Road, were considerably damaged in a collision at Pandora Avenue and Harrison Street early yesterday afternoon.

Taxicab By-Law—The Esquimalt council on Monday night decided to defer action with regard to the taxicab rates by-law for further discussion with the inter-municipal committe, in an effort to institute a uniform system.

Bonfire Site—Esquimalt's bonfire to greet The King and Queen will be lighted near Macaulay Point, at the foot of Anson Street, it was arranged by the council on Monday night. A tender for 400 feet of fire hose was accepted by the municipal body.

Seeks Brother—Police have been asked by Miss Catherine McNaughton, 12 Major Street, Toronto, to help locate her brother, Peter D. McNaughton, fifty-seven. Mr. McNaughton, who is believed to be on the Island, enlisted in the 54th Kootenay Battalion at Nelson, and served overseas until 1919.

Are Invited—Mayor Andrew McGavin and the City Council have been invited to attend the annual meeting of the Victoria Chamber of Commerce on May 15, at 12:15 o'clock, in Spencer's dining-room. Hon. W. J. Asselstine, Minister of Mines, Trade and Industry, will be the chief speaker.

Given Praise—At the meeting of the Kiwanis Club yesterday in the Empress Hotel the president, Austin Curtis, made mention of the fact that the secretary of the Victoria club, R. D. Mathews, had been given the distinction of leading the club secretaries of the district in the excellence of his work. This compliment was greeted with applause.

Colored Movies—A crowd gathered to see Captain Norman Foster and the Victoria Girls' Drill Team in front of the Legislative Buildings on Sunday morning, while George Willis, of The British Columbia Tourist Guide, was taking colored movies of them, using the beautiful tulips as a foreground and the Empress Hotel as a background. Mr. Willis will take more pictures of the team when on parade.

Tennis Instruction — Junior tennis enthusiasts of Esquimalt will be given the opportunity to learn the game under the supervision of Hillcrest Club players at the Memorial Park court, the Esquimalt council decided on Monday night, in accepting an offer of the senior players. The council also endorsed a suggestion to place a backstop on the softball diamond at Bullen Park.

Issues Plea — Alderman W. Lloyd Morgan, chairman of the committee on transportation and dining arrangements for visitors, issued a plea to restaurant owners to provide as many box lunches as possible during the Royal visit. Many persons will be unable to secure table or counter service. Householders planning to rent rooms have also been asked to co-operate by providing as many meals as possible.

Interesting Memento—S. Walters, University School, veteran of the Great War, while looking through his collection of medals yesterday, in preparation for the visit of Their Majesties, came across a token which was presented to members of the 3rd Division of the C.E.F. by the City of Mons immediately after Armistice was signed. The face of the token shows the City Hall building at Mons. The presentations were made, Mr. Walters said, on behalf of the city as a token of gratitude when the Canadians drove the invaders out of the city.

ANGINA PECTORIS AND CORONARY DISEASE

Perhaps you or one of your family have or have had a "heart attack." Your physician may have called it angina pectoris or it may have been called coronary disease—coronary occlusion — stoppage.

As both these conditions may cause pain in the region of the heart you may wonder just how serious each condition is, whether it is safe to be up and about as advised by your physician or whether it is necessary to lie in bed for a month or six weeks as one of your friends has had to do.

In speaking of the difference between angina pectoris—breast pang—and coronary disease, Dr. I. C. Brill, Portland, Oregon, in Clinical Medicine and Surgery, says:

Angina pectoris results from lack of oxygen in the blood supplying the heart muscle from whatever cause—excess food, excitement, disease or partial closure of the little artery carrying blood to the heart. The pain is underneath the breast bone. There is always some cause for the attack of angina pectoris. The angina attacks last but a minute or two and the individual feels all right after the attack. He stands still—afraid to move—while the attack is present. No rise in temperature is present.

Coronary disease occurs most frequently in middle-aged men with inherited high blood pressure, diabetes, physical strain. In coronary disease (thrombosis) the attack lasts a long time, hours and days, there seems to be no cause (overworking, over-eating, excitement) the patient is restless, and there is rise in temperature. As real damage to the structure of the blood vessels has occurred the patient must remain in bed for six weeks, until healing occurs.

In the treatment of angina pectoris, the factors causing the attack must be removed or corrected — over-eating, over-exercising, too much excitement — together with use of drugs to open the blood vessels more widely.

In the treatment of coronary disease, the prolonged rest is most important. Sometimes, an increased blood supply to the heart muscle is obtained by operation, an added supply of blood being obtained from large chest muscle. In other cases operation by dividing the nerves that tighten or close the blood vessels brings brilliant results.

Remember, angina pectoris needs care but not bed rest; coronary disease needs four to six weeks resting quietly in bed.

SAYS EVIDENCE MANUFACTURED

Counsel for Condemned Man Declares Much Testimony Was Inadmissable

The hearing of the appeal of R. A. Wright against his conviction at the March Assizes of the murder of Dulcie Track was continued before the Court of Appeal here yesterday, and will be resumed today.

Stuart Henderson, counsel for Wright, devoted the greater part of his address yesterday to reading from the transcript of evidence given at the trial.

"Much of this evidence," said Mr. Henderson, "should never have been admitted. It formed no part of the res gestae."

In dealing with the evidence of a visit by the deceased, in a state of excitement, to a neighbor's house about 11 p.m. a month before her death, Mr. Henderson said that such evidence was "manufactured," in one sense of the word, behind the back of the accused, and should not have been allowed in at the trial.

BARRAGE OF EVIDENCE

Asked by the Chief Justice of British Columbia whether such evidence was prejudicial to the accused, even if wrongly admitted, Mr. Henderson stated that he would show that the case against the accused had been built up in the minds of the jury by a barrage, hour-after-hour, of evidence of that kind.

Earlier in his address yesterday, Mr. Henderson referred to the hair found in the gloved hand of the deceased. It was admitted, said Mr. Henderson, that this hair did not correspond to the hair of the prisoner.

"Yet," continued counsel, "there is absolutely no evidence to show that any attempt was ever made to compare it with the hair of other possible suspects. There is no evidence in this regard, of there having been a proper investigation."

At the close of yesterday's sitting, Mr. Henderson stated that he proposed to deal, this morning, with the prisoner's will and with the prisoner's statement at the preliminary hearing, both of which were admitted in evidence at the trial.

Mr. Henderson stated that he thought that the hearing of the appeal would last all this week.

TRUCK LICENCES IMPOSE HARDSHIP

A plan of the Saanich Council to impose fees of from $5 to $20 every six months for city trucks operating in Saanich would undoubtedly impose a hardship on merchants, Forrest L. Shaw, city solicitor, informed the City Council on Monday.

Mr. Shaw felt that small merchants would be particularly hard hit. The inter-municipal committee, headed by Alderman B. J. Gadsden, was asked to discuss the new licence plan with the Saanich Council.

Instructions were given the city engineer to remove a dead oak tree outside 1744 First Street.

Mayor Andrew McGavin commended Aldermen T. W. Hawkins and Williams on the appearance of the rebuilt council chamber.

A suggestion of the parks committee, that an extra $700 be voted for early watering of the boulevards was returned to the committee for further consideration.

Alderman S. H. Okell, chairman, reported that damage totaling $115 had been done to city parks in April and May. Alderman B. J. Gadsden suggested a special watchman. Mayor McGavin said he would urge local pastors to combat the vandalism from their pulpits.

PERSONAL ITEMS and SOCIAL HAPPENINGS

Miss D. Jones Chairman at Group Parley

Miss Doris Jones, general secretary of the Victoria Y.W.C.A., was conference leader when about fifty senior club girls, staff and leaders met for the third Canada-wide regional conference in Vancouver during the week-end. The sessions began with a banquet on Saturday evening. The three commissions during the conference were: "Democracy in Action," led by Miss Zella Collins and Miss Margaret Davison, Vancouver; "Youth's Opportunities and Responsibilities in Canada To-day," led by Miss Blanche Alward and Miss Charlotte Crawford, Victoria, and "The Keep Fit Movement in the Y.W.C.A.," taken by Miss Dorie and Miss Laura Kuon.

Singing was a feature of the two days, and leaders for this were Misses Doris Jones, Doris Goodall and Dorothy Beech. Two amusing skits were presented by the delegations, "Ferdinand the Bull" and "Bargains." Miss Mabel Blackley led a panel discussion on "The Y.W.C.A. as an Ecumenical Movement." She was assisted by Misses Campbell, Mavis Kern and Frances Wood. A conference planning committee for the work to be done on the convention of the Y.W.C.A. in Vancouver in 1940 was appointed. Misses Margaret Hart and Dorothy Beech, girls' work secretaries, will act on this committee.

The entire group attended Christ Church Cathedral for the morning service, and in the afternoon saw the city. Victoria's delegation numbered sixteen, and included representatives from all senior clubs, Hi-Y advisers, club leaders, committee members and staff.

I.O.D.E. Activities

Royal Bride

The members of the Royal Bride (Junior) Chapter, I.O.D.E., will hold a Mother's Day tea on Saturday at David Spencer, Ltd., and a large number of tables has been reserved. Players are asked to bring their own cards and score cards. Further reservations may be made by telephoning Miss Betty Cottet, E3787, or Miss Phyllis Dodsworth, G6370.

Ganges Chapter

The monthly meeting of the Ganges Chapter, I.O.D.E., took place on Friday afternoon, with the regent, Mrs. Desmond Crofton, in the chair. National emergency service cards were distributed among the members to take home and sign, after considering in what capacity they could best serve in times of emergency. The balance sheet in connection with the Easter Monday ball, was considered very satisfactory. The regent expressed her thanks to all those who had worked for the success of the entertainment. A report of the Girl Guides' activity, written by the captain, Miss Shirley Wilson, and read by the chairman of the committee, Mrs. B. Wolfe-Merton, district commissioner for Saanich, referred to the girls' work and their raising of money towards an incubator for the nursery in the local hospital. Authority was given to the matron by the chapter to purchase one at an early date. Mrs. A. J. Shipley, chairman of the Cubs' Committee, was voted $5 towards the expenses of taking the pack to Victoria on the occasion of the visit of Their Majesties. Following a report given by the educational secretary, Mrs. V. C. Best, on the essay competition, in progress, a committee was elected for judging which included Mrs. A. R. Layard, Mrs. V. C. Best and Mrs. C. Mackintosh, with the regent. In response to the request of the matron of the hospital, the chapter authorized her to purchase a complete set of china for the I.O.D.E. Ward in the institution. Mrs. Frank Stead, Vancouver, was elected to represent the chapter at the national annual conference in Toronto. A new member, Mrs. Alan Cartwright, was welcomed. Mrs. B. Wolfe-Merton gave a report of the Provincial Chapter conference. Tea hostesses were Mrs. C. Mackintosh, Mrs. H. Johnson and Mrs. J. C. Kingsbury.

Dr. O. M. Jones Chapter

Mrs. F. E. Dowdall, regent of the Dr. O. M. Jones Chapter, presided at the monthly meeting last night at headquarters. Miss Simpson consented to act as convener of child welfare. A rummage sale will be held on May 17. Miss Herbert had asked that the supply of milk to school children be discontinued early in April to conserve the supply for later in the year. Mrs. Frank Stead was appointed the chapter's representative to the national conference. The sum of $2.50 was voted to the isolated families' fund. The regent gave a report on the provincial annual meeting, at which a chapter member, Mrs. P. E. Corby, was honored with life membership.

Varied Concert To Be Given by School Children

Featuring excellent choral singing and dancing, a concert will be given by the pupils of Victoria West School on the evenings of May 11 and 12, beginning at 7:30 o'clock each night. The Grade Six choir and the composite choir, the two choral entries in the Musical Festival, where each received Grade "A" rating, will take part.

Variety and humor will be interspersed by numbers such as "The Policemen's Chorus," which will be given again by popular request; the "Hill Billies of Kentucky," who bring along rich fare in musical artistry and fun, and a short play by the senior pupils, which is not at all conventional in theme or action. In addition, a short affair arranged by the intermediate pupils will present "A Bit of Life From London."

ANNUAL SPRING BANQUET

The members of the senior girls' department of the Y.W.C.A. will hold their annual Spring banquet tomorrow at 6:30 p.m., marking the closing of the Winter programme and the beginning of the Summer activities. Mrs. W. F. Stevenson, of the board of directors, will speak to the gathering on the theme of the banquet, "The Builders." There will be a competition for the highest attendance and the best decorated table. The girls who attended the regional conference will repeat their skit, and Ruth Curtis will also contribute to the programme. Members of the board and the girls' work committee will be present, as well as friends of the various clubs. All club girls are asked to obtain their supper tickets from their club president, and to assemble with the other girls of the group to which they belong.

Mr. and Mrs. A. R. Dale-Johnson, who were married in Vancouver on Saturday evening, are seen with their attendants, Miss Edith Nicholls, Vancouver, sister of the bride, and Mr. Frank Dale-Johnson, Victoria, brother of the groom. After a honeymoon trip on Vancouver Island, they will make their home at Hot Springs Hotel, Harrison Hot Springs. Mrs. Dale-Johnson was formerly Miss Florence Nicholls, of Vancouver.

Mrs. Roosevelt to Wear Dress Made Of Empire Wool

NEW YORK, May 9 (CP)—When Mrs. Franklin D. Roosevelt greets the King and Queen at Washington, on June 8, she will wear a sheer blue dress made of material woven from British Empire wool.

The cloth was presented to Mrs. Roosevelt today by three Empire trade commissioners here, L. R. MacGregor, Australia; R. M. Firth, New Zealand, and Emil Horne, South Africa. There were three weights of material in the presentation box. Mrs. Roosevelt selected the sheerest of materials and turned it over to Clare Booth, her New York dress designer.

The cloth is similar in texture to that which woolgrowers of the United States sent to Queen Elizabeth, and which is included in her Washington wardrobe.

Tea to Be Held in Aid of Sea Scouts

The Oak Bay Sea Scouts will hold a silver tea on Wednesday, May 17, at 2426 Windsor Road, loaned by Mrs. Alfred Woodcroft, president of the group committee. The tea arrangements are in the hands of Mrs. R. F. Blandy and Mrs. J. T. Stonehewer, and the stall of home cooking will be convened by Mrs. J. A. Whitehead and Mrs. E. Jewell. There will also be two teacup readers. It is hoped that all friends of scouting will help the boys in this effort to obtain funds for new equipment for their three boats.

Anglican Young People

ST. MATTHIAS'

St. Matthias' branch members will be guests of St. Paul's A.Y.P.A. this evening for a debate. Tomorrow evening the annual Spring dance will be held in the church hall. A popular orchestra will be in attendance, and refreshments will be served.

LANGFORD-COLWOOD

A meeting of Langford-Colwood branch of the A.Y.P.A. was held on Monday evening in the Legion Hall at Langford, with K. B. Hincks in the chair. A social will be held at the home of Misses Phyllis and Audrey Parkinson, Atkins Road, next Monday evening, to raise funds for the Victoria Day of the Dominion Conference. Mrs. Leckie-Palmer showed some interesting travel pictures of England and Spain, and views of parts of Vancouver Island, including Fairbridge Farm School, and of the scenery from her home, "Gibraltar," on the Island Highway. The final meeting of the season will be held on Monday, May 22.

ST. MARTIN'S-IN-THE-FIELDS

St. Martin's-in-the-Fields' A.Y.P.A. held its business meeting last Wednesday with the president, Edward Leggett, in the chair. Preliminary plans were made for a country fair in June. It was announced that May 17 would be the date when Canon Terry, assitsant clergyman at St. Martin's, would address the group. On Friday, in the Parish Hall, at 8:30 p.m., Mr. Douglas Flintoff will present an interesting picture show of new stories and comedies.

V.O.N. REPORT

The Victorian Order of Nurses board met yesterday in Room 214, Pemberton Building. It was noted in Miss Creasor's report that there had been 850 visits paid during April, as compared with 1,252 during the previous month. Of the April number, 140 were new and 289 free. These included forty-seven prenatal, seventy-six mothers and babies, forty-five communicables, twenty-one cancer, seventy-three chronic, 244 instructive and 345 others. There were forty-five night calls and twenty-five office consultations; six clinics, six meetings and five classes in home nursing were held. At present there are two public health course students from the University of British Columbia taking a course in field work with the order here. Miss Creasor reported that she and Miss Black had attended the British Columbia graduate nurses' convention in Vancouver in the middle of the month.

Year's Work Reviewed in Convention

The first session of the thirty-eighth annual convention of the British Columbia branch of the International Order of the King's Daughters was held yesterday morning and afternoon at Emmanuel Baptist Church, Miss Margaret S. Ross, Vancouver, provincial president, being in the chair. Nearly eighty delegates were present, including Mrs. Todhall and Miss Lund, Seattle, and Miss Weeks, Tacoma.

After the registration of the delegates, Rev. Dr. A. S. Imrie conducted the Communion service, and the address of welcome was given by Mrs. William Russell, district president, of Victoria. The district presidents from the Mainland responded, those who spoke briefly being Mrs. Goode, Cloverdale; Mrs. Williamson, New Westminster, and Miss M. E. Wilson, Cowichan. Letters of greeting were received from the international and Dominion presidents, and from the international headquarters in New York.

TREASURER'S REPORT

Mrs. R. A. Playfair, Victoria, provincial treasurer, reported that more than $8,000 had been raised and expended during the year by the order in British Columbia. Mrs. Graham Bruce, of Vancouver, gave the Young People's report, and Miss Wilson reported the hospital committee's work.

After luncheon, served in the church hall, during which Miss Kathleen Agnew gave a short address, the business sessions continued, Mrs. Collings, of New Westminster, conducting the devotions. Mrs. Oakman sang a delightful solo, "Grant Us Thy Peace," Mrs. Perry playing the piano accompaniment.

CIRCLE PROBLEMS

"Circle Problems" was the topic of the round-table discussion, during which Mrs. B. S. Thomson, Vancouver, acted as chairman. Many of the questions uppermost in the minds of the members were thoroughly discussed and much helpful advice given by those taking part: Mrs. McCorkindale, Mrs. F. G. Lewis, Mrs. J. A. Gillespie, Mrs. Graham Brice and Mrs. Belyea, all of Vancouver; Mrs. Morris, Mrs. Ethierington, Mrs. Dryden and Mrs. Williamson, of New Westminster. The problem of by what means the work of the King's Daughters might be effectively extended was of special interest. This morning the business sessions will continue.

RECEPTION ENJOYED

Last evening Miss Kathleen Agnew was hostess to the delegates at a charmingly-arranged reception at her home, "Schuhuum," Rockland Avenue. Taking part in the musical programme were Mrs. T. H. Johns, Mrs. Charles Goodwin and Miss Marion Mitchell, while Mrs. C. C. Warn acted as accompanist for the soloists.

Supper was served from a table which Miss Agnew had arranged very effectively in the King's Daughters' colors, mauve and silver, with a large silver Maltese Cross of the order in the centre, and silver vases of mauve and white lilac. Pale green and ivory tapers glowed in silver candelabra. Mrs. L. H. Hardie and Miss Agnes Renny presided at the table.

In the reception hall and drawing-room a profusion of flowers made an attractive setting, pink azaleas, lilac, tulips and laburnum being arranged.

Women's Institutes

SHIRLEY

Mrs. W. J. Shannon entertained recently at a silver tea and bridge party in aid of the Shirley Women's Institute funds. Daffodils were used in the decoration of the tea table. There were four tables of bridge players and those present were: Mrs. W. J. Shannon, Mrs. Herbert Anderson, Mrs. T. Cross, Mrs. E. Manzer, Mrs. W. Shannon, Mrs. P. Pedneault, Mrs. J. H. Downard, Mrs. W. J. Milligan, Miss Jean Shannon, Mrs. Frank Newman, Mrs. M. A. Clark, Mrs. S. P. Clark, Mrs. A. Ruttan, Mrs. E. Banner, Mrs. R. J. Payne and Mrs. W. Fry. The prizes were won by Mrs. Payne and Mrs. T. Cross.

Audience Enjoys Programme for Hard-of-Hearing

An enjoyable programme was given at the rooms of the Victoria Club for the Hard of Hearing, at which a large audience was present.

One of the highlights of the evening was an amusing domestic dramalogue entitled "Start the Ball Rolling," written by Hemia Harris Fraser, Victoria, and directed by Mrs. M. Lane. The cast comprised Faith Cumming, Joyce Smith, Peggy O'Grady, Robert Baird, Victor de Castri, and the narrator, Constance Hobbs. Eric Crocker caused a great deal of laughter with his sleight-of-hand tricks and ventriloquism. Vivien Combe gave an amusing monologue entitled "Something's Bound to Happen." Patsy Salt, accompanied by Donald Nelson, closed the programme with three vocal solos.

[illegible] J. L. Slaa, president of the club, gave a talk on the progress and aims of the club, particularly in regard to hard-of-hearing children of school age, and the educational progress they, too, can make if equipped with mechanical hearing devices. This, he said, has been proved at South Park School, where a pupil has been provided with a hearing-aid, sponsored by the Victoria Club for the Hard of Hearing, which enables the pupil to hear 95 per cent of the teacher's remarks, and placing him more or less on an equal educational footing with his fellow normal-hearing pupils.

MAYTIME DANCE

The dances at the Y.W.C.A. have proved so popular that it has been requested that another be held before the end of the season. As a result, the junior business girls have decided to sponsor a Maytime dance on Saturday, from 9 till 12 o'clock. A buffet supper will be served. Tickets may be obtained at offices of the Y.W.C.A. and the Y.M.C.A. or from club members. Members of the girls' work committee and their husbands will be present to assist the club members in receiving their guests.

GRADUATE NURSES

NEW WESTMINSTER, B.C., May 9 (CP)—The 1939 graduating class of twenty-nine nurses from the Royal Columbian Hospital here, including one Victoria girl, were given their diplomas at graduation exercises last night. The Victorian was Grace Hay.

Tulip Tea

Tulips of every shade and size, and Dutch costumes were much in evidence at the Tulip Tea held yesterday afternoon at the home of Mrs. L. Batchelor, "High View," Fairfield Road, under the sponsorship of Victoria Chapter No. 17, Order of the Eastern Star, of which the hostess is worthy matron. Tea was served in the dining-room, a crystal bowl filled with multicolored tulips gracing the table, which was covered with a cloth of Italian cut-work. The pourers were all worthy matrons of sister chapters of the order, Mrs. D Parrott, Mrs. L. McKenzie, Mrs R Tubman and Mrs. E. Saunders, and assisting with the serving were Mrs. R. Steer, Mrs. S. Butteridge, Mrs. V Neville, Mrs. L. Jefferson, wearing quaint Dutch caps and aprons. Mrs. M. Carmichael, associate matron, assisted the hostess in welcoming more than 100 guests who attended and contributed to the silver collection in aid of the benevolent funds of the chapter. A delightful musical programme was given by Mrs Peggy Moore and Mrs. Isobel Lester, the accompanists being Mrs. Whittingham and Mrs. Jesse Longfield. All artists wore pretty corsage bouquets presented to them during the afternoon. Maureen Renouf, wearing a Dutch costume, opened the door for the guests, and Mrs. G. Neelands was at the receipt of custom.

Party for Bride-to-Be

Miss Clara Frazer, a June bride-to-be, was the guest of honor at a surprise shower on Monday evening, when Mrs. L. Schmelz, Sr. and Miss Christine Schmelz were the hostesses at their home on Finlayson Avenue. Upon entering the living-room, Miss Frazer was presented with a corsage of sweet peas and carnations. The mother of the bride-to-be, Mrs. G Frazer, and Mrs. E. Bentley, mother of the groom-to-be, also received bouquets. The rooms were decorated with tulips, iris and apple blossom, the gifts being concealed in the dress of a doll "bride." Amusing contests were won by Mrs. L. Fountain and Miss N. Hocking. Refreshments were served from a lace-covered table, centred with an attractive bowl of yellow tulips, blue iris and fern. The guests were Mrs. G. Frazer, Mrs. E. Bentley, Mrs. W Payne, Mrs. T. Murray, Mrs F Richardson, Mrs. G. Upward, Mrs. J. Entwhistle, Mrs. J Hogg, Mrs. S. Gurney, Mrs. A. Hodgkinson, Mrs. L. Fountain, Mrs. I. Kuusinen, Mrs. E. Gough, Mrs. W. Rolfe, Mrs. L. Schmelz, Jr., Mrs. J. Terry, Mrs. G Peacock, Miss N. Hocking, Miss D. Payne and Miss D. Peacock.

Leaves for Visit to England

Photo by Hest.z Wilkinson

MISS KATHLEEN McINTYRE

Daughter of Mrs. D. N. McIntyre, Dunsmuir Road, left on Monday for Vancouver, en route to Eastern Canada, where she will spend a short time with relatives before joining her brother, Mr. Douglas McIntyre, who has been attending Queen's University. They will sail at the end of May for an extended visit to England and the Continent.

Hostess at Tea

Honoring Miss Marie Hemmingsen, a bride-to-be, Mrs. G. Daryl Bissell was hostess recently at a delightful tea and cup-and-saucer shower at her home on Foul Bay Road. A variety of Spring blossoms decorated the reception rooms. Upon her arrival the guest of honor received a corsage bouquet of gardenias, and later little Maureen Bromley presented Miss Hemmingsen with a gaily decorated box surmounted by a tiny umbrella, which was found to contain many pretty cups and saucers. Miss Audrey Bland presided at the tea table, which had an attractive arrangement of Spring flowers as the centrepiece. Those present were Mrs. William Bromley, Mrs. R Colby, Mrs. L. Holmes, Mrs. H. Ward, and Misses Audrey Bland, Kathleen Barlow, Nina Ferguson, Margaret Hemmingsen, Evelyn Morrison, Louise Ormond, Maureen Bromley and Olivine Ormond.

Tea for Bride-to-Be

Mrs. Walter Luney entertained yesterday afternoon at her home on North Hampshire Road at a miscellaneous shower in honor of Miss Marie Hemmingsen, who is to be married this week to Mr. Gordon Tomlin. The gifts were concealed in a blue decorated trunk. The tea table, beautifully arranged with white lilac, white narcissi, and white tapers in silver holders, was presided over by Mrs. Edwin Tomlin and Mrs. M Hemmingsen. Assisting in serving were Mrs. W. R. Clark, Miss Ruby Mae Brown, Miss Phyllis Dickson, and Miss Thelma Birnie. The other guests were Mrs. G. R Ford, Mrs A. Brown, Mrs. J. A. Birnie, Mrs. H. Lillie, Mrs. H. Savage, Mrs. Lesley Grant, Mrs. C. H. Eve, Mrs. W. A Luney, Mrs. James Dickson, Mrs. Gibb and Miss Mary Gibb (Honolulu).

Gifts Presented

Mrs. D E Rigg and Mrs. C McDonald were hostesses with their mother, Mrs. A E Cookman, at the latter's home, 812 Wollaston Street, at a miscellaneous shower, recently in honor of Miss Gladys Acreman. On her arrival, the guest of honor was presented with a corsage bouquet of roses and sweet peas and later received the many gifts. Supper was served from a table centred with a miniature wedding cake. The invited guests were Mesdames B. Acreman, C McLean, A Brakes, R Duncan, H Jones, J Knowles, T Watson, J T Adam, T Horne and D Brunsdon, and Misses Olive McLean, Ida and Ella Mitchell, Grace and Agnes Stevenson, Margaret Horne, Doris Acreman and Jessie Brunsdon.

Party at Metchosin

Complimenting Miss Margaret Bell, whose marriage to Mr. George Mutter will take place this month, members of St. Mary's W.A., Metchosin, gave a delightful tea and linen shower at the vicarage recently. The guest of honor was presented with a corsage and traveling case of lovely gifts. The presentation of the case was made by Miss K Chegwin, together with an original poem composed in honor of the bride-to-be. Those present were Miss Margaret Bell, Mrs. Douglas Hart Smith, Mrs. H. E. Bell, Mrs. F. A. Osborne, Mrs. G. F. Weir, Mrs. W. Witty, Mrs. G. Clarke, Miss K. Chegwin, Mrs. L. L. Field, Mrs. H. M. Bolton, Mrs. C. Minns and Janet Smith.

JOHN ERNEST BRAGG

SON of Mr. and Mrs. J. G. Bragg, 1751 Kings Road, and grandson of Mr. and Mrs. S. Ash, Comox, and of Mr. E. E. Bragg, Sayward Avenue, was two years old on May 2.

What Today Means

"TAURUS"

If May 10 is your birthday, the best hours for you on this date are from 8.45 to 10.45 a.m., from 2.45 to 4.45 p.m., and from 6 45 to 8.45 p.m. The danger periods are from 6:45 to 8 45 a m ; from 4 45 to 6:45 p.m., and from 8 45 to 10 45 p.m.

It might be very unwise to try to make an issue of anything this day. Only by being diplomatic and tactful can you handle temperamental or irritable people successfully. This is a day when it will take very little to make strong-willed persons clash if any opposition is offered to their having their own way in little things. It may be very difficult to concentrate on intellectual work in the midst of discordant sounds, so do not try to compete with them if you wish to save time. Timely suggestions are likely to accomplish much good, and, moreover, are likely to be appreciated. A surprising number of people may do their thinking aloud this day, with decidedly embarrassing consequences. Prevailing conditions may make the average person's hearing very keen, so be careful as to what you say in public if you do not want it overheard. Married and engaged couples, and those whose tender emotions have been aroused by Cupid, must avoid arguments if they wish to get through the day without having their tempers ruffled.

If a woman and May 10 is your birthday, you are probably a very enterprising, alert person, who leaves little to the imagination whenever there is occasion for expressing yourself. You may have many admirers of your frankness, but unless you are careful it can cause a breach in some of your friendships. Clever hands ought to enable you to do anything requiring an artistic touch unusually well. By keeping posted on current events you should be an entertaining conversationalist. As a specialty shop, restaurant or office manager as well as a teacher, public stenographer, short story writer, publicity agent or saleslady, your efforts are apt to be handsomely rewarded. You and the man you marry apparently will be dominated by love and be very happy.

The child born on May 10, if encouraged early to cultivate a fondness for reading may become a book-lover and derive its greatest pleasure from that source of entertainment. Children born on this date are frequently of a serious nature, hard workers, and achieve a remarkable degree of success.

If a man and May 10 is your natal day, you are probably very diplomatic, sociable, and capable of making friends without trouble. As an inventor, banker, politician, contractor, advertising or theatrical man, as well as journalist, musician or artist, your name may become known far and wide, and you might find yourself in a position of affluence.

Wife of Writer To Address Club

Mrs. Lukin Johnson, wife of the late Lukin Johnson, a British Columbia journalist who won special distinction in this field of writing after he left here to make his home in England, will be the speaker at the next meeting of the Women's Canadian Club on Tuesday, May 23. Mrs. Johnson shared many of her husband's journalistic experiences as he traveled about Great Britain and the Continent, and will give the club some sidelights on these.

At the meeting yesterday Mrs. Alfred Carmichael, Mrs. Frank Patterson and Mrs. William Ellis were appointed a committee to receive nominations for officers and executive. These must be in the hands of the committee by May 23, when nominations close; the annual meeting will be on Tuesday, June 6. The meeting on Tuesday, May 23, will be annual guest day, when members will be entitled to take guests.

MARK ANNIVERSARY

The twenty-fifth anniversary of the founding of the parish of St. Martin's-in-the-Fields will be celebrated today by the people of the parish and their friends with a silver tea at the parish hall. Rt. Rev. H. E. Sexton, Bishop of Columbia, will preside during the formal part of the programme, and the rector, Rev. Canon H. W. G. Stocken, will tell something about the history of the church. The Ladies' Guild, which is sponsoring the affair, has arranged a musical programme, including numbers by the church Glee Club.

SOLOMON TODAY

Old man Jones, with money to burn, fell in love with a beautiful young girl.

"Jim," he said to his friend, "I'm sixty-five. If I tell her I'm fifty-five, do you think she'll have me?"

"Make it seventy-five, and it's a certainty," replied his friend.

Has His Fourth Birthday

Yesterday was the fourth birthday of John Bevan, son of Mr. and Mrs. Hubert L. Bevan, Midland Road, Uplands, and grandson of Mr. R. C. Ross, of Victoria, and of Mrs. H. A. Bevan, Dallas Road. Yesterday, Mrs. H. L. Bevan gave a children's party in honor of John's birthday.

COUNCIL THANKS MAINLAND MAYOR

Saving in Cost of Relief to City Forecast If New Scale Is Adopted

A hearty vote of thanks was passed by the City Council on Monday to Mayor Dr. J. Lyle Telford, M.P.P., for presenting a brief on behalf of the city at the recent mayors' conference in Ottawa. Mayor Telford's report on the parley was handed to the relief committee.

He stated that a city resolution urging the Government to remove the stamp tax on relief cheques was endorsed in principle.

He pointed out the Federal Government was willing to pay the cost of employable and unemployable relief cases on a 40-40-20 basis, providing that the Provincial Government agreed.

"Any services that I was able to render you at the conference, you may rest assured were gladly given, and I sincerely hope that this assistance may have proved helpful to you," Mayor Telford's report closed.

Mayor Andrew McGavin pointed out that the 40-40-20 basis meant the city would pay 20 per cent of the cost of relief cases, thus creating an annual saving of several thousand dollars.

MEN'S PARISH GUILD

"Customs and Arts of the Aboriginal Races of British Columbia," illustrated by lantern slides and motion pictures, will be the subject of an address to be given at 8 p.m. tomorrow by F. Kermode, curator of the Provincial Museum, to the Men's Parish Guild of Christ Church Cathedral, in the guildroom (Courtney Street entrance) of the Memorial Hall. The meeting will be open to men generally.

"LOVE AFFAIR" TO SHOW AT CAPITOL

Irene Dunne and Charles Boyer Co-starred in Story Specially Chosen for Them

Uniting two of the screen's most popular stars, "Love Affair" co-stars Irene Dunne and Charles Boyer.

Both favorites are ideally cast in their respective roles, which, in fact, were written to fit their personalities and talents. Miss Dunne plays a sophisticated woman of the world; Boyer is seen as a famous Continental heartbreaker.

Ordinarily impervious to a sincere heart-and-soul romance, the mundane luminaries are seriously smitten. Their hopeless fight against their new-found engulfing love is complicated by prior betrothals and an accident. The production opens today at the Capitol Theatre.

BOBBY BREEN IS STAR AT ATLAS

Youthful Singing Star Plays Leading Role in Dramatic Picture, "Fisherman's Wharf"

A dramatic story of a great father-and-son fellowship, through which is stitched fine threads of comedy and romance is Bobby Breen's starring film, "Fisherman's Wharf," which will open today at the Atlas Theatre.

For the first time in his career, Bobby has an opportunity to play a rough, tough, thoroughly all-round youngster, as adept with his fists as he is with his voice. With a seal as his pet, and a melting-pot gang of Chinese, Italian and American youngsters as playmates, the singing star has ample opportunity to demonstrate his boyish qualities.

PLAZA THEATRE Victor Hugo's immortal classic, "Les Miserables," will screen for the last time tonight at the Plaza Theatre. Darryl Zanuck's lavish production of the novel for Twentieth Century Pictures, stars Fredric March, Charles Laughton and Sir Cedric Hardwicke, under the direction of Richard Boleslawski.

CHAPTER XV

"Sis," he shot at her. "What about you and Luther? Me and your mama used to figure you two'd hitch up some day."

"You're telling me?" said Alita, flippantly.

"What?" The elder Bradley didn't follow modern slang and pertness.

"I mean—I know you thought so, Daddy. You never took any pains to hide it. But you have to be in love before you marry anybody!"

Don snickered a bit. All at once Alita joined him, and the two laughed out loud.

"Imagine it!" Alita said, still half laughing. "In the society columns—'Mr. and Mrs. Luther Pool entertained yesterday at tea.' Or 'Luther Pool, the gawky young tennis star, tripped over his own foot yesterday and'—Ha ha ha ha!"

Mrs. Bradley frowned. "That don't sound sweet, honey."

"I don't mean it like it sounds, mother. But—Well, Luther just wouldn't fit in here, somehow, would he? Imagine being plain Mrs. Luther Pool!"

Mr. Bradley got up, left his meal unfinished and stalked heavily away. Instantly a quiet came over the others. Always this had been Ed Bradley's means of expressing disapproval. It had become tantamount to a hearty reprimand.

Socially the noon meal was a failure, and without many more words Alita went up to her room. There, she felt definitely ashamed of herself.

She really hadn't meant to be discourteous toward Luther. Never! She had just been—imagining the contrast, between him and their present friends in town. The conversation and appearance was so different that it had simply struck her funny. Certainly she would not have hurt Luther for the world!

Feeling almost as if she had affronted him in person, she contritely sat down now to write him a friendly letter. The dainty desk in her bedroom carried blue engraved stationery with her own initials, and a new $25 fountain pen set. As if to offset the sudden shame in her heart, she wrote several pages.

She told him about all their good times in town, and quite sincerely urged him to come in as often as he could.

"If you can come only every other Saturday night, Luther," she concluded, "then I shall claim dates with you then. You'll have to arrange some other time to visit with mother and daddy. And Don. You used to date me every other Sunday afternoon — I've been missing our rides, Luther — and you can't neglect me now. Please begin this Saturday. I'll be waiting in my prettiest dress. So there! And I'd better not hear of any other girl trying to make eyes at you, young man!"

She added the teasing little touch more or less unconsciously. And when Luther read it, his somewhat lonely heart enjoyed a magnificent thrill. He carried that letter in his pocket all day Friday and Saturday, took it out to read it perhaps fifteen or twenty times. By noon Saturday he had started to "knock off" work and get ready for his visit to Phoenix, but one of his Mexican vaqueros rode up to say the water hole on Arroyo Blanco was dry and the cattle there had to be moved. Luther helped, and that took his time until four o'clock.

He bathed in a bucket of water then, and put on his cleanest shirt. He had only worn it twice, and it looked pretty good to him. He discovered, though, that his three pairs of dress pants had been neglected. He had meant to have old Concha, the Mexican woman who cleaned his house, wash and iron them. But he had forgotten.

Hastily he heated Concha's iron on a bed of coals, scrubbed spots from his cleanest pair, and pressed them. They looked pretty good when he was through.

Then he couldn't find any clean socks. But he was proud of the tie he finally knotted on. It had cost $2, and he knew it was good. He had elected to wear shoes instead of boots so he rummaged and found his low quarters (he called them that). Dusted, they still had a shine. He sat down—fully dressed otherwise—to put them on.

"Great glory!" he muttered. "My feet've out-swelled these things."

With a certain satisfaction he put on his other and better boots and pulled his pant legs down over their tops. He felt sure nobody could tell them from shoes that way. He went outside to his car, and paused long enough to give instruction to a Mexican cowboy who had ridden up.

"And tell Concha," he concluded, "to get up here and swab out my house, doggone it. And cook up me some good grub for Sunday."

He rode away then, feeling very fine, even whistling. Keen anticipation settled with him. Automatically he steered, his mind was elsewhere. Not until he topped a hill did he come to himself again.

"Grea-a-at grief!" he exclaimed, slamming on the brakes.

There below him, his lane was full of cattle. Nearly fifty feet of fence was down. Steers and cows with calves—his own stock—were pouring through. They were trotting down the lane. In another mile, Luther knew they'd be out in the open country.

He turned his car and headed back home. He knew he'd have to get a horse and a helper at once. They'd be lucky to get all the stock back in by Sunday morning.

MISS MACKENZIE-GRIEVE WINS MEDAL HONORS

UPLANDS CHAMPION TOPS FIELD BY ONE STROKE AT COLWOOD

Shoots Round of 85 to Win Qualifying Test in Provincial Tournament Here—Four Others Tied for the Runner-Up Position—Lillian Boyd Has Lowest Nine During the Day

Finishing with a birdie four on the final green, Miss Mary MacKenzie-Grieve, holder of the Uplands Club title and former ruler of the city fairways, breezed home with a neat 85 to capture the qualifying round honors in the women's British Columbia golf championship, yesterday afternoon, at the Colwood course; from a field of forty-five shotmakers, from Victoria, Vancouver and Duncan. The medal winner was one stroke in front of four others, two local and a like number from the Mainland, all of whom has scores of 86.

Ideal Summer weather welcomed the starting line-up. The defending champion, Miss Kaye Farrell, Vancouver, was right up with the leaders and ended in a tie for the runner-up berth with Mrs. E. Jackson, the 1937 titleholder; Miss W. Evans, Vancouver, and Mrs. A. C. Stickley. Miss Lillian Boyd, the Vancouver City monarch, had one of the most peculiar rounds of the day. She found the going mighty tough on the outgoing nine, which she stroked in 48, and then settled down to the golf she is capable of shooting on the stretch back to the clubhouse, and fired a great 39, the lowest nine of qualifying test.

HOW THEY SCORED

Miss Kaye Farrell was out in 44 and then treated herself to a 42 on the back stretch, while the leader of the pack, Miss Mary Mackenzie-Grieve, had a 44 for the first nine and shot six pars, a birdie and went over twice for a fine 41 en route to the clubhouse for her winning total. Mrs. E. Jackson was only two over perfect figures at the half-way station, being out in 40, but had her troubles coming home, starting off with an eight at the tenth, and sixes at the fourteenth and seventeenth for a 46.

Miss Winnifred Evans, one of the leading players from Vancouver, started off in the winning van and was over the first part of the journey in 40, but, like Mrs. Jackson, encountered trouble on the last nine, which she played in 46. She had sevens at the tenth and final holes, but outside of that shot near perfect golf. The other club-swinger to get into the 86 bracket was Mrs. Stickley, Colwood star. The Victorian had two scores of 43 and was steady most of the trip.

Miss Katie Duff Stuart, always a strong contender for any major golf title, was in the 87 class along with Miss Lillian Boyd, a townmate, while Mrs. S. Enke and Mrs. R. V. Hocking, a newcomer to the local golfing wars, scored 89's. Mrs. Art Dowell, the Colwood champion, and Miss Jean Duncan, of Duncan, were alone in the 90 bracket, while Mrs. G. M. Wilson, Vancouver; Mrs. C. Brown and Mrs. B. R. Philbrick all had 91's.

WINS PLAY-OFF

A play-off was necessary for the final spot in the qualifying group. Mrs. W. A. R. Hadley, Mrs. J. McIlraith and Miss Mary Thorne were the trio involved. The former won the right to compete in the championship by beating Mrs. McIlraith on the fourth extra hole. Miss Thorne gave up at the first hole. Only two of the eight Vancouver women never got in the title flight, and they were Mrs. W. Cummings and Mrs. H. O'Callaghan (last year's runner-up to Miss Farrell), while Miss Zeta Allen, of Duncan was the other outside competitor failing to make the grade.

Hurling Staff of the Athletics

ALL "dressed up" in their new uniforms, the hurling staff of the Athletics was snapped by The Colonist camera man during a training session at Royal Athletic Park. Tonight at the Caledonia Avenue ball lot the Athletics and the Eagles, last year's finalists in the city championship series, will lift the curtain on another season's pennant chase in the Victoria Senior Baseball Association. Ray Maitland, husky righthander, and second from the left, will be Manager Tommy Restell's choice for the opening battle. Stan Davies, promising young twirler, who heaved the birdmen to victory in the deciding game of the Rithet Cup series last year, will oppose Maitland. The official opening ceremonies will get under way at 6 o'clock, with Mayor Andrew McGavin throwing the first ball. Alderman Stanley Okell, chairman of the parks board, will be the first batter to face the city's chief magistrate. Those in the picture are, left to right: "Chuck" Rowe, Ray Maitland, "Sonny" Walker and Lloyd Cann.

LARGE FIELD ENTERED IN RACE TODAY

Pompoon Defending Honors In $20,000 Dixie Handicap at Pimlico

BALTIMORE, May 9 (AP)—A field of sixteen sturdy campaigners, topped by last year's winner, Pompoon, and including some of the best of the United States stake racers in the business, was named today for tomorrow's $20,000 Dixie Handicap at Pimlico—a curtain-raiser for Saturday's rich Preakness.

Meanwhile, the $50,000 Preakness shaped up as more of an acid test for the greatness of Johnstown, last Saturday's Kentucky Derby winner.

Trainers of Ciencia, the filly who won gold and glory in the $50,000 Santa Anita Derby, announced she would be a sure starter in the race that will go far toward settling the three-year-old champion.

HAS TOP WEIGHT

Pompoon will be topweighted with 125 pounds as he attempts to win his second straight victory in its thirty-fifth renewal tomorrow. Last year he set a track record of 1.56 4-5 for the mile and three-sixteenths from a stallgate start. Seabiscuit did the distance in 1.56 3-5 against War Admiral in their historic duel here last November but from a walk-up start.

Pompoon will face such competitors as Marshall Field's Sir Damion, second in the Widener Handicap last Winter, and Townsend B. Martin's Cravat. Cravat will carry 120 pounds, with Sir Damion down for 113 pounds.

Other tough entries are Mrs. Parker Corning's Thanksgiving, given third weight of 120 pounds; Alfred G. Vanderbilt's Heelfly, R. Parr's Hypocrite and W. L. Brann's Aethelwald, all recent winners.

Completing the field are Edward Friendly's Jacola, Joe W. Brown's Brown King, Belair Stud's Isolater, Thomas J. Healey's Tatter-Demalion, Brandywine Stable's Masked General, Shandon Farm's Burning Star, Walter M. Jeffords' Jollytar, H. Jannuka's Invermark, and Brann's Challepen, entered with Aethelwold.

HUMPHRIES CUP PLAY TO START

Second Division Baseball Clubs Will Swing Into Action Tomorrow Evening

Potential baseball stars of tomorrow, promising young players representing four of the six clubs in the recently-formed second division of the Victoria Baseball Association, will swing into action tomorrow evening. Reported anxious to commence play after many weeks of hard training, the youngsters are all ready to open their bids for the A. E. Humphries Cup, symbolic of the championship.

Games will be played at Beacon Hill and Admirals Road, with President W. J. Cull and Vice-President R. Clarke taking part in the opening ceremonies. Cubs and Eagles are listed for action at Beacon Hill, while Pitzer & Nex will journey to the Navy ground to oppose the sailors. Games will start at 6 o'clock.

Brown Bombers and Cedar Hill Athletics, other clubs in the loop, received first round byes, but will commence their season's activities next week.

ALL-STAR CLUB

Booked to oppose Lowneys, Vancouver, here in a twin bill on May 24, Victoria All-Stars, under the watchful eyes of Manager Fred McGinnis, held their initial workout Monday evening at Royal Athletic Park. Seventeen players turned out for the training session, and the newly-appointed boss was quite pleased with the showing. Manager McGinnis announced yesterday that Ray Parfitt, former Sons of Canada hurler, has been named coach of the Victoria All-Stars.

Lowneys opened the season here last year and split a double-header with the locals.

PITCHERS TO MEET

An important meeting of the Greater Victoria Horseshoe Pitchers' Association will be held tomorrow evening at 1054 Pandora Avenue at 8 o'clock, when plans for the season's competitions will be outlined. All interested in the sport are cordially invited to attend.

Chicago Rallies To Beat Giants; Yanks Triumph

Score Four Runs in the Eighth Inning to Capture Verdict in Weird Game—Cardinals Trim the Dodgers, 13-1—Yanks Rally in Last Frame To Beat Out Chicago White Sox

By The Canadian Press

St. Louis Cardinals hammered Freddy Fitzsimmons to the showers in less than an inning yesterday and went on from there to slaughter the Dodgers, 13-1, and take undisputed possession of second place in the National Baseball League.

Ducky Medwick hit a homer, Pepper Martin and Terry Moore each drove in three runs for Cards.

Chicago Cubs, after booting a four-run lead in the earlier frames, scored four times in the eighth inning to whip the Giants, 11-7, in a weird National League ball game.

A damaging home-run attack by Cincinnati Reds spoiled Hugh Mulcahy's attempt to avenge himself of the baseball defeat they handed him Sunday, and the Phillies went down, 8-4. Wally Berger hit two homers and Frank McCormick one.

New York Yankees put on a typical ninth-inning rally at the expense of their old jinx, Lefty Thornton Lee, to nip the White Sox, 8-6, in the "rubber" tilt of the three-game baseball series.

The world champions collected a total of sixteen hits, but they put the game away. Rookie Joe Gallagher hit a homer for the champions in the second.

St. Louis Browns again outhit their opponents, but weak pitching in the clinches put Boston Red Sox in the win column with a 10-8 victory that enabled them to hold the lead in the American Baseball League race.

Big Theo Williams, Boston outfielder, drove in the winning runs with a long homer with two mates on in the tenth inning.

CUBAN FIGHTER DIES

CARACAS, Venezuela, May 9 (AP).—Baby Oriental, Cuban flyweight champion, died yesterday after an emergency operation performed as a result of an injury received in his bout last night with Freddie Miller, of Cincinnati. In the second round of a scheduled ten-round bout, Miller unleashed a terrific left to the solar plexus. Ring attendants and doctors said the blow fractured one of Oriental's ribs and ruptured his liver.

ERIC WRIGHT IS CHAMPION

Defeats Morgan in Final of Macaulay Point Golf Club Tourney

Eric Wright captured his first championship of the Macaulay Point Golf Club Sunday when he went out and scored a smart 3 and 2 victory over J. P. Morgan in the scheduled thirty-six-hole final. In the final of the second flight, A. F. Slocomb won from C. D. MacRae, 1 up, while Dr. A. F. Aylward took the measure of J. Davidson, 4 and 3.

Morgan started off in the winning van and was three up at the end of the ninth, but came Wright with a flock of fine golf shots and moved into the lead at the halfway station, being one up. Morgan fired a 76 in the morning and Wright was one stroke less.

Wright increased his lead on the second hole in the afternoon but was still one up when the twenty-second was reached as Morgan won back a hole and then squared the battle at the twenty-fifth and went out in front at the next green but the youngster, Wright, fought back gamely and won the decision after a hard match from start to finish.

Jane Dixon Says:

YOUNG GIRLS SHOULD BE MORE DISCREET ABOUT THE USE OF THE WORD "LOVE."

When will some of our younglings learn not to use the word "love" so lightly?

A true woman does not doubt which of two men she loves. She may wonder which of two men she should choose as an escort, a sweetheart, a husband, but her wonderment is based on reason, not on heartbeat.

There is a vast difference, my dears, between love and advantage.

Dear Miss Dixon: I'm a girl of nineteen, a senior in high school. For more than three years I've gone with one boy, dated no other boy. I loved him very much and he loved me—still does, he says.

Now I'm away from home, going to school. I've met another boy I love very much and he, too, says he loves me. He's a grand pal and is showing me the best time I've ever had in my life.

Since I've been dating the new boy the other one has shown jealousy, and is saying untruthful things about his rival that causes me to dislike the accuser. Also, the first boy swears he doesn't date other girls, and I find out different. You know a girl can't take much stock in a boy who behaves like this.

The first boy complains because, he says, when he comes to see me now I am indifferent. Should I tell him why? He always seems to come when he is not wanted.

The second boy tries to be friends with the first, but it is no deal. You see I can't go with both of them. Neither of them is happy and neither am I. What should I do?—"Puzzled Me."

Comment: Stop thinking about appeasing the two boys and start thinking about your own integrity. Which of them do you prefer? Do not keep boys, or men either, dangling on your hook. Such fishing is not only unfair, but is likely to be dangerous. One never knows when and how a long suppression of human emotions will explode. Tragedies that rock and shock the world are results of such explosions.

The boy we thought we loved in high school was a stranger to us when we came back from our freshman year in college. This is why this column pleads with young girls like you to be more discreet about the use of the word, "love."

Registration of Aliens Endorsed

A well-attended meeting of Division No. 1, Defence of Canada League, was held in the A.O.F. Hall. Captain N. E. Fairweather presided.

The chairman reported that the league's request for the registration of aliens had been endorsed by many Canadian patriotic bodies, and that letters had been received from all parts of the Dominion tendering congratulations and endorsements.

The meeting resolved to ask Dominion authorities to take steps to have radio masts and stations camouflaged in an effort to keep open that line of communication in event of any emergency.

A report from the secretary indicated that finances were in good condition, with all accounts paid to date, and that new members were being enrolled.

2 DEATHS

FARRAND—On May 6, 1939, at the Aged Women's Home, Mrs. Ruth Farrand, widow of Thomas Farrand, aged eighty-three years. Born in Holm Firth, Yorkshire, England, and a resident of Victoria for over forty-four years. Survived by her daughter, Mrs. Elizabeth F. Coates, of 1046 Butler Street, and ten grandchildren, also three sisters in England, Mrs. Dyson Beaumont, Mrs. Joseph Hansen and Mrs. Clara Eastwood.

The funeral will be from Hayward's B.C. Funeral Chapel on Wednesday at 2 p.m. Rev. A. E. G. Hendy officiating. Interment in the family plot in Ross Bay Cemetery.

ADAMS—At St. Joseph's Hospital on Saturday evening, there passed away suddenly, John Andrew Adams, aged fifty-three years, of 2618 Quadra Street. Born in England, Mr. Adams had been a resident in Canada for the last twenty-six years. During the Great War Mr. Adams served with the 23rd and 3rd Battalion C.E.F. There remain to survive his passing, besides his loving wife, five sons and five daughters, at the residence; a daughter, Annie Joan, predeceased him by twenty-four hours, and three sisters in England.

The remains are resting at the chapel of the Sands Mortuary Ltd., from where the funeral service will be conducted on Wednesday, May 10, 1939, at 3:30 o'clock. Rev. O. R. V. Bolster will officiate and the remains will be laid at rest by the side of his daughter, in Colwood Burial Park.

WEBB—At the Royal Jubilee Hospital, on Sunday, May 7, Frederick John Webb, aged sixty-five years, of 1031 Oliphant Street. The late Mr. Webb was born in London, England, and had been a resident of this city for the last two years and for many years of Lethbridge, Alberta. He is mourned by his widow, three daughters, Mrs. Violet Wesman, of Edmonton, Alberta; Mrs. Lily Burns, of Lethbridge, Alberta, and Miss Vera, of Montreal, and one son, F. R. H. Webb, of Swift Current, Sask.

Funeral services will be held on Wednesday afternoon from McCall Brothers' Funeral Home, at 4 o'clock. Rev. J. Norman Frees, pastor of Fairfield United Church, will conduct the service, after which interment will be made in Royal Oak Burial Park.

STEWART—Suddenly, at the family residence, 3611 Quadra Street, there passed away Tuesday, May 9, Maggie Begg Stewart. The late Mrs. Stewart, who was fifty-eight years of age, was born in Kilmarnock, Scotland, and moved to this city twenty-seven years ago. She leaves in sorrow her husband, Lawrence, and one daughter, Margaret, at the family residence, Quadra Street; one brother in South Africa and three sisters and one brother in England.

The remains are resting at the S. J. Curry & Son Funeral Home. Announcement of the funeral will be made later.

TRANTER—At the Royal Jubilee Hospital on Sunday afternoon, Miss Catherine Tranter, aged seventy years, of 2550 Blackwood Street, passed away. The late Miss Tranter was born in England and had been a resident of this city for fifteen years, and for more than thirty years in the northern part of the province, where she was engaged as a mission teacher with the Methodist Church and later with the United Church. She served for twenty years at Port Essington and for some time at Port Simpson and Bella Bella. She is mourned by three sisters, Mrs. H. G. Hambleton, with whom she resided; Mrs. H. Nobbs, of Ganges, Salt Spring Island, and Mrs. C. Cooper, of 1515 Fort Street, Victoria.

The funeral will take place on Wednesday afternoon from McCall Bros.' Funeral Home, at 2:30 o'clock. Rev. A. D. Reid, D.D., will conduct the service, after which interment will be in Colwood Burial Park.

HONG—Passed away on May 5 at his residence, 532 Fisgard Street, Quon Fook Hong, aged fifty-one years, a native of Canton, China, and a resident of Victoria for thirty-five years. He is survived by his widow and children in China.

The funeral will take place this afternoon at 2:30 o'clock from the Thomson Funeral Home. Interment will be made in the Chinese Cemetery.

POY—Suddenly at his residence, 548 Herald Street, on Tuesday, May 9, 1939, there passed away at the age of fifty-eight years, Soo Dung Poy, a native of Canton, China, and a resident of Victoria for the past thirty years.

The remains are resting at the chapel of the Sands Mortuary Ltd., from where the funeral service will be conducted on Thursday, May 11, 1939, at 3 o'clock. The remains will be laid at rest in the Chinese Cemetery.

CORPORATION OF THE CITY OF VICTORIA

TENDERS FOR HAY

SEALED tenders will be received by the undersigned up until noon on Monday, May 15, 1939, for the purchase and removal of the standing hay at Elk Lake. A certified deposit cheque, equal to 5% of the amount of tender, made payable to the City Treasurer, must accompany each tender. The highest or any tender will not necessarily be accepted.

E. S. MICHELL,
City Purchasing Agent.
City Hall, Victoria, B.C., May 8, 1939.

WARNING

NOTICE is hereby given that all persons going onto the roof of any building for the purpose of viewing the procession during the visit of Their Majesties, without the permission of the owners or occupiers, will assume a serious risk of being injured, as roofs generally are not designed to carry the weight that would be imposed by such loadings. Many roofs are also unsafe from age, unprotected skylights, weak parapets and electric service wires.

Building owners are hereby given warning that if they allow persons to go onto roofs of their buildings for the purpose of viewing the said procession, whether as visitors or guests or on payment of any fee and such roofs are unsafe, they may be liable for damage to anyone who suffers injury thereon, or to any person injured on the sidewalk below by any object falling from such roof or parapet.

ASTOUNDED

She staggered into her neighbor's house.

"A drop of brandy," she gasped.

As she gulped it down, her neighbor sympathized with her.

"You look as if you've had a shock. You're as white as a sheet."

"I have," came the reply. "My husband came home sober, and brought all his pay."

Princess Elaine Takes Fisherman Off Disabled Troller In English Bay

VANCOUVER, May 9 (CP).—Amedee Provost, New Westminster fisherman, told today how his first trip in a newly purchased twenty-two-foot troller ended yesterday with his rescue by a coastal steamship after his motor quit in English Bay. He was forced to leave the craft anchored.

Attempts to reach the anchored boat last night failed because of rough weather, but Provost planned to try again today with the use of a launch.

The fisherman said he was half an hour out of the First Narrows when his engine stopped. He drifted for two hours before the coastal steamer Princess Elaine sighted him, circled and hove-to.

A line was tossed aboard the tiny fishboat. Provost anchored the craft with a fifty-foot line and was brought to Vancouver on the Elaine.

WARNING GIVEN DOCK EMPLOYEES

Portland Waterfront Will Be Closed Thursday Morning Unless Loading Starts on Ship

PORTLAND, Ore., May 9 (AP).—The Waterfront Employers' Association advised the Congress of Industrial Organization International Longshoremen and Warehousemen Union today it would close the port at 8 a.m. Thursday unless loading operations were started on the freighter William Luckenbach at 8 a.m. tomorrow.

Longshoremen refused to pass a picket line established last week by the C.I.O. Maritime Office Workers' Union. The office union asserted the Luckenbach Company failed to comply with a National Labor Relations' Board order to reinstate three dismissed workers with back pay.

FREIGHTER SINKING

MANILA, May 10 (AP).—The British freighter Lindenbank sent out an SOS. message today saying she was sinking by the head after striking a reef at Arena Island, 250 miles south of here in the Sula Sea. She asked immediate assistance.

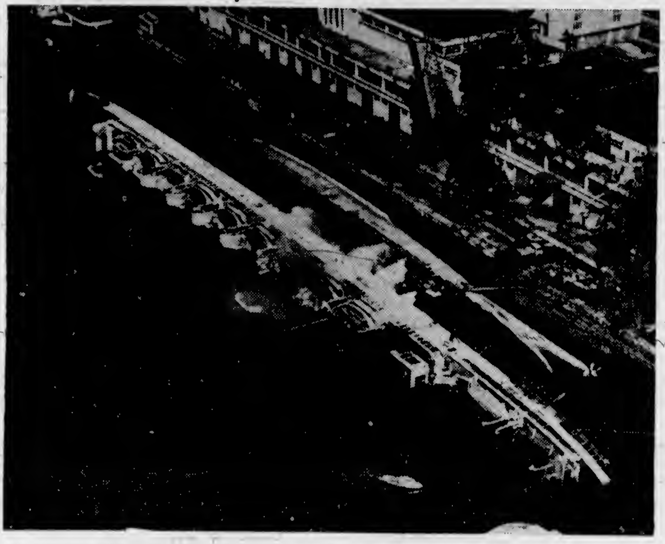
French Luxury Liner Sinks After Fire



The French liner Paris is shown heeled over in the harbor at Le Havre, after a mysterious fire had almost destroyed the ship. The liner Normandie was in drydock just ahead of the Paris, and the latter's masts had to be cut away before the flagship of the French Line fleet could be refloated and take her trans-Atlantic run on schedule.

SPECIAL TRAINS FOR ROYAL VISIT

Extra Coaches Being Brought Over From Mainland for Use of Up-Island Visitors

Thirty-five additional coaches will be brought over from the Mainland to cope with the expected influx of people from Up-Island points in connection with the Royal visit, according to information received yesterday from the E. & N. Railway Company.

Together with the five coaches already here, this will make forty coaches available for use on May 30. No additional engines or crews will be required.

Tentative plans at present under consideration call for four special trains, leaving Port Alberni, Courtenay, Nanaimo and Ladysmith in the morning, and returning from Victoria at night.

Time and rate schedules are at present being compiled, and will be released for publication when train arrangements are finally completed.

NORWEGIAN SHIP DROPPED RUDDER

Komet, Bound From Danzig for Montreal, Is in Trouble Off Newfoundland Coast

HALIFAX, May 9 (CP).—The 675-ton Norwegian freighter Komet, bound from Danzig to Montreal, reported today she had dropped her rudder 220 miles off St. John's, Nfld., and required assistance.

The Foundation Maritime, Ltd., who received the message said their salvage tug Foundation Franklin already was towing the Danish freighter Gerda Toft to Halifax from that approximate locality, but might also be able to go to the Komet's aid.

The Gerda Toft dropped her propeller last week.

VANCOUVER SHIPPING

VANCOUVER, May 9 (CP).—Fourteen deep-sea freighters were loading in Port of Vancouver Monday, but Coal Harbor — home of little ships — was still the busiest section of the waterfront.

Fishing boats, yachts and launches large and small, are being prepared for Summer activities. Painting and caulking at a steady pace keeps owners of craft in the harbor working at a fast clip.

The cruiser Thor I will dock at the Canadian Pacific Railway Pier A 1 tomorrow and will sail the next day for a 110-day cruise in romantic seas of the world.

The American Mail Line closed its office in Vancouver last week, and the Blue Star Line opened for business.

George F. Wales, former general agent for the American Line, is also agent for the British-owned Blue Star Line of refrigerator ships. He had been with the former company twenty-five years.

Motorship Hie Maru, of the Nippon Yusen Kaisha Line, sailed out of Vancouver at mid-day today. The ship carries 195 passengers.

The motorship Hakubasan Maru is docked at the Canadian Pacific Railway dock, shed 5, loading concentrates for Japan.

J. N. Greenland, general manager of Union Steamship Company of New Zealand, now making his first trip to Canada, was guest of honor at a luncheon on board the Empress of Canada on Monday.

Leading steamship officials of Canadian Pacific Railway attended.

"Are you sure your wife knows I'm going home to dinner with you?"

"Knows? I should say so! Why, George, I argued with her about it this morning for half an hour."

GREGALIA DUE HERE TONIGHT

Donaldson Line Ship Arriving From United Kingdom With General Cargo

From United Kingdom ports, the freighter Gregalia, of the Donaldson Line, will arrive alongside Rithet Piers some time tonight, according to Robert Cumberbirch, of Rithet Consolidated, local agents for the line. The Gregalia was at Seattle discharging last night, and will unload about 150 tons of general cargo when she arrives here, between 9 and 10 o'clock tonight. Before shifting to Mainland ports, the Gregalia will load a consignment of canned loganberries for the homeward trip.

LUMBER VESSELS

Two ships were loading lumber at Ogden Point Piers yesterday. They were the British freighter Derrynane, which arrived Monday and will sail today for North China ports; and the Norwegian freighter Troma, which docked at the assembly plant early yesterday morning, and is loading for the United Kingdom.

CRUISE PROGRAMME

Announcing a greatly augmented cruise programme for the Summer and Autumn months, the Hamburg-American Line-North German Lloyd, has scheduled twenty-eight cruises between the end of June and late November. This programme represents something new in Hapag-Lloyd policy, for it is the first time the lines have operated cruises out of New York during the Summer months.

ROYAL VISIT

According to information released by Royal Canadian Navy Dockyard, Esquimalt, the destroyers Ottawa, St. Laurent, Fraser and Restigouche will leave the naval base for Vancouver on May 26. They will participate in the ceremonies attending the Royal visit there, and will act as an escort for the ships bringing the Royal party to Victoria and returning them to Vancouver.
